If approved, trenching, backfilling, and resurfacing of the cut shall be done in accordance with the procedures outlined in this Agreement. The Applicant shall be responsible for all paving repair for a period of one year after completion.

Asphaltic concrete must then be added and tamped or rolled to make a level surface with existing road surface.

- 21. The Applicant shall not cut or open more than one-half of the roadway at a time, in order to maintain the flow of traffic at all times. However, in an emergency or with the permission of the Precinct Commissioner, the total width of the roadway may be cut or opened, provided barricades are placed at the first intersection each way from the cut, and suitable detour signs are erected.
- 22. All of the above work shall be done under the direction of, and be satisfactory to, the Precinct Commissioner. The holder of the permit shall notify the Precinct Commissioner twenty-four (24) hours prior to the time the work will be done, to allow the Precinct Commissioner to be present at the time the work is done. This will in no way relieve the Applicant from its responsibility for maintenance due to failure of the repaired cut.
- 23. Failure to Comply with Specifications: If an opening or cut in the county right-of-way is not refilled and restored as herein provided, the County will notify the Applicant in writing to refill and restore the opening to the satisfaction of the Precinct Commissioner. In the event said utility is not removed, ownership of the utility will vest in County. It is agreed that "timely removal" of said utility shall be within 120 days after said utility is abandoned or use expires.

Dear Judge Prause:

I am pleased to inform you that the Texas Indigent Defense Commission has awarded Colorado County a formula grant in the amount of \$21,187. The FY19 Formula Grant Statement of Grant Award is attached. COMMISSIONER'S COURT REGULAR MEETING

MARCH 11, 2019

Review of Monthly Revenue Reports from County Officers February 2019

Date: February 28, 2019

Submitting Office: Colorado County Auditor's Office

Contact

Raymie Kana County Auditor

318 Spring St., Suite 104 Columbus, TX 78934

(979) 732-2791

Audit Objectives:

Under current Texas law, the county auditor shall carefully examine and report on all reports that are about the collection of money for the county and that are required to be made to the commissioners' court.

Our primary objectives were to 1) make sure all required reports include proper information 2) required reports are presented to the commissioners' court 3) reconcile department distribution summary to the general ledger 4) verify all funds collected have been deposited with the county treasurer and 5) timeliness of deposits.

This examination was not designed to detect all errors and did not involve detailed examinations of transactions and documents. Different procedures are used in different offices and thus not all offices were reviewed.

We examined the following reports submitted to the Auditor's office for January 2019/February 2019 from:

County Clerk
District Clerk
Justice of the Peace, Precinct 1
Justice of the Peace, Precinct 2
Justice of the Peace, Precinct 3
Tax Assessor/Collector

Justice of the Peace, Precinct 4 Sheriff Septic System (OSSF) County Attorney County Treasurer
