

REPAIR AND REMEDY CASES

A repair and remedy case is a lawsuit filed by a residential tenant under Chapter 92, Subchapter B of the Texas Property Code to enforce the landlord's duty to repair or remedy a condition materially affecting the physical health or safety of an ordinary tenant.

The relief sought can be for no more than \$10,000, excluding statutory interest and court costs but including attorney fees, if any. Repair and remedy cases are governed by Rules 500-507 and 509 of Part V of the Rules of Civil Procedure. To extent of any conflict between Rule 509 and the rest of Part V, Rule 509 applies.
