Present today was Dr. Mazie Leftwich, Task Force Chair, which gave her presentation. She stated they began one year ago. With citizen donations, we have \$236,600.00.

Today, the Task Force comes to Commissioner Court with \$165,000.00 for the first year for the Auditor to hold in escrow and that the Commissioner Court accept these funds and make the Mental Health Deputy a permanent position within the Sheriff's Department.

She then asked those in the audience who had checks for donation today to bring them forward and give to the Auditor to hold.

All those in attendance today were asked to come forth to have their picture taken with the Court.

Commissioner Kubesch asked when are we going to approve this? We are accepting this money without approval? Judge Prause stated this will be brought back at a later date to discuss, probably around Budget time. Today was just for presentation, not to take action.

No action taken.

Memorandum

TO: Colorado County, Texas Commissioners Court

FROM: Behavioral Health Task Force of Greater Colorado Valley

RE: Grassroot Funding Donations for a Mental Health Deputy

PRESENTER: Dr. Mazie Leftwich, Task Force Chair

DATE: February 14, 2022

THE PROBLEM:

Texas (as of 2022) ranks 50 out of 51 states and DC, in access to mental health services while having a higher prevalence of citizens with some type of mental illness (Source: Mental Health America 2022 Report)

https://www.mhanational.org/issues/state-mental-health-america

- 1 in 5 Texans (6.5 million individuals) suffer from some type of mental illness.
- Texas is ranked number 3 in suicides.
- Texas is ranked number 3 in substance abuse disorders among adults.

These statistics play out in Colorado County in the following ways:

During 2020, there were approximately 350 ER visits to Columbus Community Hospital and approximately 70 ER visits to Rice Medical where mental health was either the presenting issue or a comorbid issue.

Numerous individuals end up incarcerated that are actually suffering from mental health related crises and the jails now have laws that place huge responsibilities on them to provide a certain amount of mental health services.

Hours upon hours are spent by our local law enforcement personnel dealing with those mental health crises each year (many of which are recurring with the same individuals), pulling them away from other duties they would normally be performing in the course of their job.

The trauma experienced by each individual and their family members that end up in the hospital or jail, is neither compassionate nor is it therapeutically helpful in many instances.

Memorandum to Commissioners Court 2-14-2022

Page 1 of 2

THE SOLUTION BEGINS WITH A MENTAL HEALTH DEPUTY (MHD):

The **Mental Health Deputy** will be a specially trained Peace Officer within the Colorado County Sheriff's Office. The purpose and objective of the **MHD** is to work with the behavioral health provider network by assisting those in crisis access appropriate care and by diverting these individuals away from incarceration or emergency rooms whenever possible.

Because of the specialized training received by the MHD, specific skills in <u>crisis deescalation</u> are utilized during crisis situations. The MHD will also provide follow-up checks with individuals and their families by making regular rounds throughout the month across the entire county (including within the cities), checking on such things as making sure medications are being taken regularly and that visits to physicians, clinics and therapists are occurring as scheduled. This <u>supportive relational engagement</u> with those who are prone to re-occurring crises is fundamental in preventing further crises and will additionally assist in the recovery of the individual and their families.

The **MHD** will also be involved in training other first responders within the community in the recognition of mental illness.

THE FUNDING:

Currently there are no grants available from all the various sources (Federal & State) for such a position. This has been thoroughly researched. And so, the Behavioral Health Task Force of Greater Colorado Valley decided it would seek local funding from citizens who have a heart for those suffering from mental illness.

We set our goal of providing funding for the MHD position for a period of three years in an amount of \$300,000 based on guidance from the Sheriff's office and the County Auditor's office. We currently have commitments that include one- time contributions and payments once a year for three years. Our current committed funds total \$235,600 with a variety of sources forthcoming with additional commitments.

Today the Task Force comes to Commissioners Court to donate the first-year collected funds, a total of \$165,000, which is significantly more than the funds needed for the first-year funding although we understand any overage from expenses will be held in escrow for the second year funding. The balance of the funds will be provided each of the next two years to complete the overall commitment of \$300,000 for the three-year period.

THE TASK FORCE & DONORS ARE REQUESTING:

We are requesting that the Commissioners Court accept these funds today and make the Mental Health Deputy a permanent position within the Sheriff's Department.

The Task Force will be providing the balance of year two and year three funding at this time each year for the next two years.

We request that beginning year four, the County appropriate the funds for this position to the Sheriff's Department budget so as to provide long-term sustainability for this position and for the benefit of all of the citizens of Colorado County.

COMMISSIONER'S COURT REGULAR MEETING

FEBRUARY 14, 2022

PROCLAMATION

WHEREAS, Black History Month affords special opportunity to become more knowledgeable about black heritage, and to honor the many black leaders who have contributed to the progress of our nation; and

WHEREAS, such knowledge can strengthen the insight of all our citizens regarding the issues of human rights, the great strides that have been made in the crusade to eliminate the barriers of equality for minority groups, and the continuing struggle against racial discrimination and poverty.

NOW, THEREFORE, the Commissioners Court of Colorado County, Texas does hereby proclaim February 2022 as "Black History Month" and urges our citizens to join together in making this period of rededication to the principles of justice and equality for all people.

SIGNED this 14th day of February 2022.

rause, County Judge

Doug Wessels, Precinct No. 1

Darrell Kubesch, Precinct No. 2

Keith Neuendorff, Precinct No. 3

Darrell Gertson, Precinct No. 4

__6. Audience to Colorado County Firefighters Association President, Jason Pausewang regarding a request for the County to purchase 60 Automatic External Defibrillators (AEDs) to be issued to all Colorado County Volunteer Fire Departments. (Prause)

Present today was Jason Pausewang, stating that Tuesday we had a large fire with (7) departments involved with this fire. We had one of our fire firefighters go down with an apparent heart attack. Luckily, Columbus had an AED on their unit prior to EMS making location, CPR was initiated, put the AED on him shocked him brought him back and flew him to Houston hospital. The firefighter last I heard is doing well. In my (28) years of being a firefighter for Sheridan, this has never happened.

I come today asking to purchase (60) AEDs to be issued to all Fire Departments. It should cost about \$75,000.00 for (60) AEDs, these are refurbished, recertified units with warranties for (3) years.

Commissioner Wessels stated he contacted the Fire Departments in his precinct after this incident, Garwood has one on their ambulance and would be happy with (2), Rock Island has none and would be happy with two or three.

Commissioner Gertson stated he thinks (3) per department would be good.

We have roughly (220) firefighters spread over ten departments in Colorado County.

County Treasurer suggested that it would be beneficial for all Commissioners, Precinct Barns, and JP Offices to have one.

Important Information Regarding Your Automated External Defibrillator

Thank you for your interest in working with Cardio Partners, Inc. ("Cardio Partners"). Cardio Partners is a leading national provider of automated external defibrillators ("AEDs"), AED program management, CPR and AED training. We appreciate the opportunity to serve you and support your interest in developing a heart safe environment in your workplace. Please find attached herein, important information with regards to the purchase of your AED and/or related equipment. If you have any questions, Cardio Partners would be happy to assist you. Please contact us at 866-349-4363.

How does an AED work?

An AED is a portable electronic device that automatically analyzes the heart's rhythm in life threatening situations. If it detects a problem, an AED delivers an electrical shock, known as defibrillation to restore the heart's normal rhythm.

What are the liabilities incurred by having an AED in our workplace?

Good Samaritan Laws have been established in all states to mitigate the liability of a trained individual using an AED to attempt to save the life of an individual suffering from sudden cardiac arrest. In addition, in 2000, Congress passed and President Bill Clinton signed the Cardiac Arrest Survival Act which provides those who acquire and use an AED with protection from liability. With proper training in AED use, the risk of misuse in your workplace is low. Cardio Partners strongly recommends that you

Which states have Good Samaritan Laws?

Each state has passed its own version of a Good Samaritan Law, which provides some level of immunity to laypeople who administer an AED. Please consult your state for its equivalent Good Samaritan Law.

Does our workplace now need medical direction?

It is always recommended that a physician be assigned as the medical director of your AED Program. Medical direction may include oversight by a physician of some of the important aspects of an AED Program, including AED site selection, written policies and procedures, CPR and AED training, AED registration and AED maintenance, each of which are, in part, described below. Unless otherwise provided in a separate written agreement, the purchase of your AED does not come with medical direction from Cardio Partners. Please consult your state for its medical direction requirements.

What is an AED Program and does our workplace need one?

An AED Program is designed to establish protocols regarding the use and management of your AED. AED Programs typically include protocols including AED medical direction, AED maintenance, quality assurance programs, reporting requirements, procedures for use and communication of AED usage. Certain states have requirements for AED Programs. Cardio Partners provides services related to AED Programs. Unless otherwise provided in a separate written agreement, the purchase of your AED does not come with an AED Program administered by Cardio Partners. Please consult your state for its AED Program requirements.

Does our workplace need a prescription?

For nearly every circumstance, a written physician's prescription is legally required for the use of an AED. Certain AEDs are sold with a physician's prescription from the AED manufacturer. Certain laws do not allow a prescription to be valid after one year. It is your responsibility as the purchaser of an AED to have a proper physician's prescription for your AED. The purchase of your AED, except in instances in which you have agreed in writing to purchase Cardio Partners' Program Management Services, does not come with a physician's prescription from Cardio Partners. Please consult your manufacturer for inclusion of a prescription with your AED purchase and your state for its prescription

Do the employees in our workplace need CPR and AED training?

Each state has different requirements for CPR and AED training as part of a company's AED Program. In most states, the primary requirement is that selected employees are required to be trained in CPR and AED use. On a nationwide basis, Cardio Partners provides CPR and AED training. Unless otherwise provided in a separate written agreement, the purchase of your AED does not come with CPR or AED training from Cardio Partners. Please consult your state for its training requirements.

Does our workplace need to register our AED with local authorities?

Each state has different requirements for registration of a workplace AED with local EMS agencies. The goal of such registration is to allow local 911 or equivalent first responder dispatches to advise a caller responding to an emergency as to the nearest AED. Cardio Partners provides registration services as part of its Program Management Services. Unless otherwise provided in a separate written agreement, the purchase of your AED does not come with an AED Program administered by Cardio Partners. Please consult your state for its AED Program requirements.

What ongoing maintenance is required?

AEDs are designed to save lives. There are certain state and manufacturer maintenance standards that are designed to assure that your workplace AED is ready to be deployed whenever it is needed. As a result, your workplace AED will need to be routinely tested to assure that it is functioning properly. As part of your AED Program, regular monthly checks should be completed to allow your workplace to comply with these standards. Cardio Partners provides selected maintenance services as part of your workplace AED Program. Unless otherwise provided in a separate written agreement, the purchase of your AED does not come with an AED Program administered by Cardio Partners.

I understand that all drainage easements shall be kept clear of fences, buildings, plantings, and other obstructions to the operation and maintenance of the drainage facilities.

I further understand that this exemption from Colorado County Road Standards for this property division is based on the presumption of four (4) new lots or fewer. Any re-division that results in a greater number of lots may trigger a requirement that the road(s) be built according to the Colorado County Road and Drainage Standards and Specifications. I realize that Colorado County is under no obligation to pave the unpaved roads in the subdivision.

I represent that the new lots that are created by this Limited Land Division are not within the boundaries of any municipality's city limits or area of extraterritorial jurisdiction. (The extra-territorial jurisdiction is within $\frac{1}{2}$ mile of a city of less than 5,000 people and within one mile of a city with a population between 5,000 and 24,999.)

This property has not been divided as a Limited Land Division in the last five years, and I further understand that I cannot further divide the above remainder tract as a Limited Land Division for five (5) more years from the date this plat is recorded.

DebtBook is not liable for any damage, losses, or any other consequences that Customer or any Authorized User may incur as a result of a Service Suspension.
- (f) Aggregated Statistics. Notwithstanding anything to the contrary in the Agreement, DebtBook may monitor Customer's use of the Services and collect and compile Aggregated Statistics. As between DebtBook and Customer, all right, title, and interest in Aggregated Statistics, and all intellectual property rights therein, belong to and are retained solely by DebtBook. DebtBook may compile Aggregated Statistics based on Customer Data input into the Services. DebtBook may (1) make Aggregated Statistics publicly available in compliance with applicable law, and (2) use Aggregated Statistics as permitted under applicable law so long as, in each case, DebtBook's use of any Aggregated Statistics does not identify the Customer or disclose Customer's Confidential Information.

Notwithstanding the foregoing, each party may disclose Confidential Information to the limited extent required (1) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the party making the disclosure pursuant to the order must first give written notice to the other party and make a reasonable effort to obtain a protective order; or (2) to establish a party's rights under the Agreement, including to make required court fillings.

- (d) Each party's obligations under this Section are effective as of the Effective Date and will expire three years from the termination of the Agreement; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of the Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

7. <u>Limited Warranties</u>.

- (a) Functionality & Service Levels. During the Term, the Application Services will operate in a manner consistent with general industry standards reasonably applicable to the provision of the Application Services and will conform in all material respects to the Documentation and service levels set forth in the SLA when accessed and used in accordance with the Documentation. Except as expressly stated in the SLA, DebtBook does not make any representation, warranty, or guarantee regarding availability of the Application Services, and the remedies set forth in the SLA are Customer's sole remedies and DebtBook's sole liability under the limited warranty set forth in this paragraph.

COMMISSIONER'S COURT REGULAR MEETING

FEBRUARY 14, 2022

(d) DebtBook exercises no control over the flow of information to or from the Application Service, DebtBook's network, or other portions of the Internet. Such flow depends in large part on the performance of Internet services provided or controlled by third parties. At times, actions or inactions of such third parties can impair or disrupt connections to the Internet. Although DebtBook will use commercially reasonable efforts to take all actions DebtBook deems appropriate to remedy and avoid such events, DebtBook cannot guarantee that such events will not occur. ACCORDINGLY, DEBTBOOK DISCLAIMS ANY AND ALL LIABILITY RESULTING FROM OR RELATING TO ALL SUCH EVENTS, AND EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THE AGREEMENT, ANY OTHER ACTIONS OR INACTIONS CAUSED BY OR UNDER THE CONTROL OF A THIRD PARTY.

8. <u>Indemnification</u>.

(a) <u>DebtBook Indemnification</u>.

- (i) DebtBook will indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) (collectively, "Losses") incurred by Customer resulting from any third-party claim, suit, action, or proceeding ("Third-Party Claim") that the Application Services, or any use of the Application Services in accordance with the Agreement, infringes or misappropriates such third party's US patents, copyrights, or trade secrets, provided that Customer promptly notifies DebtBook in writing of the Third-Party Claim, reasonably cooperates with DebtBook in the defense of the Third-Party Claim, and allows DebtBook sole authority to control the defense and settlement of the Third-Party Claim.
- (ii) If such a claim is made or appears possible, Customer agrees to permit DebtBook, at DebtBook's sole expense and discretion, to (A) modify or replace the DebtBook IP, or component or part of the DebtBook IP, to make it non-infringing, or (B) obtain the right for Customer to continue use. If DebtBook determines that neither alternative is reasonably available, DebtBook may terminate the Agreement in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer, so long as, in each case, DebtBook promptly refunds or credits to Customer all amounts Customer paid with respect to the DebtBook IP that Customer cannot reasonably use as intended under the Agreement.
- (iii) DebtBook's indemnification obligation under this Section will not apply to the extent that the alleged infringement arises from Customer's use of the Application Services in combination with data, software, hardware, equipment, or technology not provided or authorized in writing by DebtBook or modifications to the Application Services not made by DebtBook.
- (b) <u>Sole Remedy</u>. SECTION 8(a) SETS FORTH CUSTOMER'S SOLE REMEDIES AND DEBTBOOK'S SOLE LIABILITY FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE SERVICES INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS. IN NO EVENT WILL DEBTBOOK'S LIABILITY UNDER SECTION 8(a) EXCEED \$1,000,000.
- (c) <u>Customer Indemnification</u>. To the extent permitted by applicable law, Customer will indemnify, hold harmless, and, at DebtBook's option, defend DebtBook from and against any Losses resulting from any Third-Party Claim that the Customer Data, or any use of the Customer Data in accordance with the Agreement, infringes or misappropriates such third party's intellectual property rights and any Third-Party Claims based on Customer's or any Authorized User's negligence or willful misconduct or use of the Services in a manner not authorized by the Agreement.
- 9. <u>Limitations of Liability</u>. EXCEPT AS EXPRESSLY OTHERWISE PROVIDED IN THIS SECTION, IN NO EVENT WILL EITHER PARTY BE LIABLE UNDER OR IN CONNECTION WITH THE AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, ENHANCED, OR PUNITIVE DAMAGES, REGARDLESS OF WHETHER EITHER PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE. EXCEPT AS EXPRESSLY OTHERWISE PROVIDED IN THIS SECTION, IN NO EVENT WILL THE AGGREGATE LIABILITY OF DEBTBOOK ARISING OUT OF OR RELATED TO THE AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE EXCEED THE TOTAL AMOUNTS PAID TO DEBTBOOK UNDER THE AGREEMENT IN THE 12-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.  - (i) the Initial Term of the Agreement will begin on the Effective Date and end on the Initial Term End Date;
 - (ii) the Agreement will automatically renew for successive 12-month Renewal Terms unless either party gives the other party written notice of non-renewal at least 30 days before the expiration of the then-current term; and
 - (iii) each Renewal Term will be subject to the same terms and conditions established under the Agreement, with any Fees determined in accordance with DebtBook's then-current pricing schedule published on DebtBook's website and generally appliable to all users of the Services, as provided to Customer at least 60 days before the expiration of the then-current term.
 - (b) <u>Termination</u>. In addition to any other express termination right set forth in the Agreement:
 - (i) DebtBook may terminate the Agreement immediately if Customer breaches any of its obligations under Section 2 or Section 5;
 - (ii) Customer may terminate the Agreement in accordance with the SLA;
 - (iii) either party may terminate the Agreement, effective on written notice to the other party, if the other party materially breaches the Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured 30 days after the non-breaching party provides the breaching party with written notice of such breach;
 - (iv) if (1) Customer is a governmental entity and (2) sufficient funds are not appropriated to pay for the Application Services, then Customer may terminate the Agreement at any time without penalty following 30 days prior written notice to DebtBook; or
 - (v) either party may, to the extent permitted by law, terminate the Agreement, effective immediately on written notice to the other party, if the other party becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law.
- (c) <u>Survival</u>. Only this Section and Section 1 (Definitions), Sections 4 through 6 (Fees; Confidential Information; Intellectual Property), Section 7(c) (Disclaimer of Warranties), and Sections 8, 9 and 12 (Indemnification; Limitations of Liability; Miscellaneous) will survive any termination or expiration of the Agreement.
- 11. <u>Independent Contractor</u>. The parties to the Agreement are independent contractors. The Agreement does not create a joint venture or partnership between the parties, and neither party is, by virtue of the Agreement, authorized as an agent, employee, or representative of the other party.

12. Miscellaneous.

- (a) <u>Governing Law: Submission to Jurisdiction</u>. The Agreement will be governed by and construed in accordance with the laws of the Governing State, without regard to any choice or conflict of law provisions, and any claim arising out of the Agreement may be brought in the state or federal courts located in the Governing State. Amend Personnel Policy Manual - Holidays, Military Leave, Equal Employment Opportunity, _13. Harassment, Paid Breaks Policy and any other policies as deemed necessary. (Kana)

Raymie Kana, County Auditor stated she knew when the amended manual went out there would be some questions. The main one was with the holidays. Dispatch needs to be added, just like the Sheriff's Office and EMS, everyone gets paid for the holidays, whether they work it or not. I sent our manual to TAC and she made some other changes. The Commissioners said they need a new paper manual for their Precincts. Raymie stated she will get them a hard copy printed and it is also online. Motion by Judge Prause to approve to amend Personnel Policy Manual – Holidays, Military Leave, Equal Employment Opportunity, Harassment, Paid Breaks Policy and any other policies as deemed necessary; seconded by Commissioner Gertson; 5 ayes 0 nays; motion carried, it was so ordered.

Mr. Clinton Barrett 105 South River Drive Columbus, Texas 78934

Dear Mr. Barrett:

The law requires that the Commissioners Court officially organize a Grievance Committee, whose job it is to consider a grievance of a county elected official with respect to the salary set for that official by the Commissioners Court. The Grievance Committee is composed of the six county-wide elected officials and three persons drawn from the list of Grand Jurors that served in the past. Your name was drawn from that list of Grand Jurors at the Commissioners Court meeting on January 10, 2022.

The only time this committee can be called upon to serve would be immediately following the adoption of the County Budget, which will occur in September. However, I do not expect an elected official to ask for the committee to meet.

Please initial at the bottom of this letter whether you agree to serve or decline to serve, and return this letter in the enclosed envelope.

> Very truly your rause Colorado County Judge

Review of Monthly Revenue Reports from County Officers January 2022

Date: January 31, 2022

Submitting Office: Colorado County Auditor's Office

Contact

Raymie Kana County Auditor

318 Spring St., Suite 104 Columbus, TX 78934 (979) 732-2791

Audit Objectives:

Under current Texas law, the county auditor shall carefully examine and report on all reports that are about the collection of money for the county and that are required to be made to the commissioners' court.

Our primary objectives were to 1) make sure all required reports include proper information 2) required reports are presented to the commissioners' court 3) reconcile department distribution summary to the general ledger 4) verify all funds collected have been deposited with the county treasurer and 5) timeliness of deposits.

This examination was not designed to detect all errors and did not involve detailed examinations of transactions and documents. Different procedures are used in different offices and thus not all offices were reviewed.

We examined the following reports submitted to the Auditor's office for December 2021/January 2022 from:

County Clerk
District Clerk
Justice of the Peace, Precinct 1
Justice of the Peace, Precinct 2
Justice of the Peace, Precinct 3
Tax Assessor/Collector

Justice of the Peace, Precinct 4
Sheriff
Septic System (OSSF)
County Attorney
County Treasurer
