TEXAS HISTORICAL COMMISSION real places telling real stories

November 1, 2022

Re: County Historical Commission (CHC) Appointments

Dear County Judges and Commissioners,

CHC appointments are professional commitments to represent the county's interests in preserving historic and cultural heritage. During 2021, CHCs reported having contributed 284,046 hours of service to counties across Texas, which carries a monetary value of \$8.5 million using rates published on independent sector.org.

This extraordinary contribution is thanks to the dedicated and productive individuals who are appointed by county commissioners courts to serve on your county's CHC. Now is the time to identify potential appointees who will contribute consistently during the 2023–2024 term of service. Consider how your county can benefit from a CHC comprised of experienced and active appointees.

Chapter 318 of the Texas Local Government Code directs county commissioners courts to make CHC appointments in January of odd-numbered years for a two-year term. To ensure a smooth transition between terms, consider approving 2023–2024 appointments by December 31 with a start date of January 1, 2023.

We encourage you to appoint individuals that demonstrate an active interest in preserving historic and cultural resources in your county. CHCs should represent the age range and ethnic diversity of all precincts in your county.

The enclosed flyers provide supplemental information on recommended appointee criteria and submitting appointee rosters to our agency as required by state statutes. This information will help you appoint individuals who can assist in efforts to preserve historic resources, encourage heritage tourism, and revitalize communities.

Thank you in advance for sharing CHC appointee contact information for the 2023-2024 term of service.

Submitting CHC Appointments to the THC County Historical Commission (CHC) Organizational Flyer 01

Texas Local Government Code, Chapter 318, enables county commissioners courts to appoint individuals to serve on county historical commissions (CHC). Section 318.003(d) directs county commissioners courts to provide the Texas Historical Commission (THC) with a list of appointees and their mailing addresses. The information below will help county officials and staff submit accurate information to the THC.

Montgomery CHC receives a 2021 Distinguished Service. Iward (DS.-1).

Prior to Submitting Appointments

Before selecting appointees, please verify that potential appointees and those proposed for reappointment are willing and able to serve. Ensuring an active level of commitment is important since many appointees have responsibilities outside the CHC that may require them to change the focus of their service. Please work with CHC appointees to determine preservation activities that the county and appointees feel confident pursuing.

CHCs have resumed indoor and outdoor activities in increasing numbers since the pandemic. To support these efforts, THC staff have provided recommendations for preservation-related work here: www.thc.texas.gov/thc-recommendations-chcs-2020-interim. These webpages highlight ongoing CHC projects to demonstrate how appointees continue to preserve and protect resources during this time.

Ensuring Accurate Appointee Contact Information

Please gather the names, physical addresses, phone numbers, and email addresses for CHC appointees and enter the information into the roster template provided here: www.thc.texas.gov/chc-appointments. Submitting appointee information using this Microsoft Excel template enables our agency to merge data from 254 counties, creating a mass mailing list to promote opportunities and services that contribute to the livelihood of your CHC.

Submitting 2023-2024 CHC Appointee Rosters

Please ask county staff to complete the CHC appointee roster template noted above in Microsoft Excel and email the roster to CHC Outreach Specialist, Jaclyn Zapata- (512) 475-2692, activities.rexas.gov.

Recommended Criteria for CHC Appointees County Historical Commission (CHC) Organizational Flyer 02

Texas Local Government Code, Chapter 318, enables county commissioners courts to appoint individuals to serve on county historical commissions (CHC). Visit the following webpage to reference a record copy of these statutes: www.statutes.capitol.texas.gov/Docs/LG/htm/LG.318.htm. The statutes provide minimal direction for appointment methodology and appointee criteria. This flyer comments on both issues in response to county official inquiries.

Statutory Directives for CHC Composition

- CHC must be composed of at least 7 county residents; statutes do not include a maximum number of appointees.
- Appointees serve a two-year term, ideally beginning in January of odd-numbered years.
- Appointees must broadly reflect the age, ethnic, and geographic diversity of the county.
- · Appointees must have an interest in historic preservation and an understanding of local history and resources.

Appointment Methodology

Statutes do not address the exact methodology for appointing CHCs. Our research shows that this process varies somewhat from county to county. Some county officials interview individuals seeking the appointment and others accept recommendations from existing CHC appointees. Whatever method your county selects, please consider the following recommendations prior to appointment. Applying statutory criteria along with our recommended criteria ensures that appointees are active, work well with others, and leave a positive impression with the public.

Recommended Appointee Criteria

Please appoint individuals who can contribute in a variety of ways. If possible, appoint individuals who have Internet access (home, CHC office, or public hub), can leave home to perform site visits, and will maintain a positive attitude. Appointees should be able to meet the following recommended criteria.

- Able and committed to attend full commission meetings;
 statutes require at least 4 meetings per year.
- Able and willing to volunteer time to plan and manage projects, programs, and events.
- Able to receive/respond to public inquiries about county historic resources in a timely manner.
- Able and willing to attend preservation education opportunities outside of their county.
- Able to provide site visits to historic properties within the county to update property inventories and provide current information on site conditions to THC staff.

Site Access Requirements

Commercial refuse trucks can weigh 60,000 lbs or more when fully loaded, can be up to 38 feet in length, over 10 feet wide at the mirrors and 14 feet high. These trucks are top heavy and are not capable of sharp turns.

Entrance to and exit from the property:
 Refuse trucks need a width of at least 12 feet to drive straight in and more if we have to approach the entrance or exit at an angle. We require
 16 feet overhead clearance on driving surfaces and up to 22 feet of height at the dump site depending on the container size.

Driving surface:

The driving surface should be strong enough to support the weight of a commercial truck. Deterioration of the driving surface should be expected and is considered normal wear and tear. This includes, but is not limited to, cracks and ruts. It can be reduced by the design and construction of a surface that meets commercial truck traffic specifications. It is the customer's responsibility to provide and maintain the proper driving surface.

Sites that are not upgraded with paved surfaces may be classified as "fair weather" stops. During wet weather a "fair weather" stop may not be serviced until surface conditions allow access.

Fair Weather Stops

A Fair Weather Stop is a classification that TDS uses to identify container sites that may become inaccessible during inclement weather. These are usually sites located in areas with unimproved road surfaces such as dirt or gravel.

A driver must assess the approach to each container site and determine if it is safe to proceed. If it is likely that the truck may become stuck or slip off the road the driver is authorized and expected to skip the stop and report it as "skipped and impassible". The customer will be serviced at the next scheduled time if the conditions are improved enough to allow servicing. Credits are not issued for fair weather stops that are skipped.

Make-up trips are considered extra and charged as such.

Pad site and dump site:

These sites need to be of sufficient construction to accommodate the container and the weight of the truck.

Tire Ruts

A common occurrence with Commercial Front Load service is tire ruts develop leading up to the container.

A Front Load Trash Truck is a unique vehicle that has more weight on the front tires than most other commercial vehicles; especially when servicing a container. As a result, they get stuck in mud or soft places easier than other vehicles.

When servicing a container the weight on the front tires doubles by the amount of what is being picked up. The sudden weight increase can cause the truck to "sink" if the road or ground is soft. This is why the deepest ruts are right in front of the container. The slab in front of the pad site should be 6" thick steel re-enforced concrete.

motion carried; it was so ordered.

Commissioner Kubesch explains that this stems from the October 11, 2022 meeting. He said this is like the ARPA money and he doesn't agree with. He would rather see the money put towards something more constructive than road and bridge. His reasoning for the request is because the contract with ARPA comes with executive orders from the President of the United States that we don't know anything about, and it comes from the Social Security Trust Fund and since this is not an emergency procurement, he doesn't want to accept this money for road and bridge.

Motion by Commissioner Kubesch to allocate Precinct 2's share of fund from the Local Assistance and Tribal Consistency Fund to the financial management software or to the Veterans Service Officer for Disabled Veterans of the County. No action take on this motion. Judge Prause thanked Commissioner Kubesch for his thoughts on this matter and asked if he had considered waiting on deciding to allow incoming Commissioner Ryan Brandt to weigh in on the subject.

Local Assistance and Tribal Consistency Fund

Allocations to Eligible Revenue Sharing Counties

September 2022

Section 605 of the Social Security Act (the Act), added by Section 9901 of the American Rescue Plan (ARPA), established the Local Assistance and Tribal Consistency Fund (LATCF), which provides for Treasury to pay \$2 billion to eligible revenue sharing counties and eligible Tribal governments seross fiscal years 2022 and 2023 for use on any governmental purpose except for a lobbying activity. This document summarizes Treasury's methodology for determining eligibility and ellection funds to eligible revenue thering counties. and allocating funds to eligible revenue sharing countles.

The Act appropriates \$1.5 billion to Treasury for payment to eligible revenue sharing counties, reserving \$750 million for each of fiscal years 2022 and 2023, and directs the Secretary of the Treasury (the Secretary) to allocate the funds "taking into account economic conditions of each eligible revenue sharing county using measurements of poverty rates, household income, land values, and unemployment rates as well as other economic indicators, over the 20 year period ending September 30, 2021."

Eligibility Criteria

Statutory requirements for determining eligibility

The statute defines eligible revenue sharing counties to include any county, parish, or borough

- that is independent of any other unit of local government; that, as determined by the Secretary, is the principal provider of government services for the area within its jurisdiction; and
- (iii) for which, as determined by the Secretary, there is a negative revenue impact due to implementation of a Federal program or changes to such program.2

The statute also specifically enumerates the District of Columbia, the Commonwealth of Puerto Rico, Guam, and the United States Virgin Islands as eligible revenue sharing counties.3

¹42 U.S.C. § 5US(b)(1). Treasury previously amounced the allocation of the \$500 million reserved for Tribal governments, available here: https://home.treasury.gow/system/files/136/605-LATCF-Allocation-Methodology Summary.pdf.

Defining "a county, parish, or borough" that is "independent of any other unit of local government" and "the principal provider of government services"

Treasury referred to Census Bureau classifications to determine which units of government constitute "a county, parish, or borough" that is "independent of any other unit of local government" and "the principal provider of government services." Treasury referred to the Census Bureau's census of governments and its classification of the functional status of counties

First, Treasury referred to those geographic areas classified by the Census as counties including those that the Census Bureau categorizes as parishes or boroughs.

Second, Treasury determined that counties that are consolidated with other units of government are not "independent of any other unit of local government."?

Third, Treasury determined that counties that do not have government functions or have only very limited government functions do not qualify as "principal provider[s] of government services." Such counties include those classified by the Census Bureau as "non-functioning legal

Defining "negative revenue impact due to implementation of a federal program implementation or changes to such program"

Treasury is defining counties with a "negative revenue impact due to the implementation of a Federal program or changes to such a program" to be counties that participate in the Payments in Lieu of Taxes (PILT) program administered by the Department of the Interior and the Refuge Revenue Sharing program administered by the Fish and Wildlife Service (FWS). Both of these revenue sharing programs provide funds to counties that are available for expenditure for general

² Such counties a relisted in the Census of Governments Report with functional status codes "B" and "C."

³ The Census Bureau lists those counties classified as non-functioning counties with functional status code "N." See 2017 Census of Governments Report at 280. In addition, the 14 counties in Vermont that perform very limited functions do not qualify as principal providers of government services. As summarized by the Census of Governments, Vermont's counties "perform very limited functions, which consist chiefly of maintaining the countinuous and county jail." See 2017 Census of Governments Report at 280.

⁹ More specifically, Treasury will include counties that otherwise qualify as eligible revenue sharing counties and are listed by Interior as having land that is entitlement land for purposes of PILT or donated or a coulted refuge land for purposes of the Refuge Revenue Sharing program.

COMMISSIONER'S COURT REGULAR MEETING

purposes. Congress has not always provided consistent funding for these programs. ¹⁰ Counties receiving payments from these programs suffer a negative revenue impact when these programs are not fully funded, and the inconsistent funding of these programs means these counties are not able to confidently project their future revenues and thus are not able to plan their expenditures efficiently.

Under PILT, the Department of the Interior provides annual payments to counties and other local governments with certain categories of federal lands within their borders. These lands, referred to as "entitlement lands," include national parks, national forests, land managed by the Bureau of Land Management (BLM), land managed by FWS that has never left federal ownership, and others as set forth in PILT statute. Although Congress has appropriated full funding for the PILT program since fiscal year 2018, the PILT program has experienced other periods of constrained funding since 2005, requiring prorated reductions to the amounts paid to recipients under the allocation formula.

Under the Refuge Revenue Sharing program, the FWS provides annual payments to counties and other local governments that have land administered solely or primarily by the FWS. This includes payments for refuge lands that were acquired by or donated to the federal government and that are thus not included as entitlement lands for purposes of PILT. The Refuge Revenue Sharing program has also been inconsistently funded by Congress. Since 1981, Congress' appropriations for the program have varied, and the program has not been fully funded to pay the full amount to each county provided for in the allocation formula.

Thus, Treasury is defining counties "for which, as determined by the Secretary, there is a negative revenue impact due to implementation of a Federal program or changes to such program" as those counties that participate in the PILT and Refuge Revenue Sharing programs.

District of Columbia, Commonwealth of Puerto Rico, Guam, and the U.S. Virgin Islands

The District of Columbia, the Commonwealth of Puerto Rico, Guam, and the U.S. Virgin Islands are statutorily included as eligible revenue sharing counties for the LATCF program.

Total Eligible Revenue Sharing Counties

Overall, 2,086 total local governments meet the definition of a "county, parish, or borough" that is "independent of any other unit of local government" that is "the principal provider of services" and for which there is "a negative revenue impact as the result of the implementation of a federal program or changes to such program." This includes the District of Columbia and the 3 territories, Puerto Rico, Guam, and U.S. Virgin Islands, specifically enumerated as eligible by the statute.

¹⁰ See FWS, Historical Summary of Refuge Revenue Sharing Payments, https://www.fws.gov/sites/default/files/documents/RefugeRevShare%20Historical%20Summary2022 pdf (Indicating less than full funding for the Refuge Revenue Sharing program since 1981). A discussion of annual funding levels for PILT is provided in Interior's PILT annual reports, available at https://www.dol.gov/pilt/resources/annual-reports.

December 12, 2022

MINUTES OF THE COLORADO COUNTY COMMISSIONER'S COURT REGULAR MEETING October 11, 2022

Allocation Methodology

The Act provides that the Secretary shall determine the allocations for eligible revenue sharing counties "taking into account economic conditions of each eligible revenue sharing county, using measurements of poverty rates, household income, land values, and unemployment rates as well as other economic indicators, over the 20-year period ending with September 30, 2021."

Data Sources for Statutory Economic Indicators ("poverty rates, household income, land values, and unemployment rates")

Poverty Rates and Median Household Income

Treasury used data on poverty rates and median household income as published by the Census Bureau at the county level in its Small Area Income and Poverty Estimates (SAIPE) program, last published in December 2021, reflecting data for calendar year 2020. ¹² This Census Bureau data source is meant to "provide estimates of income and poverty for the administration of federal programs and the allocation of federal funds to local jurisdictions." ¹³

Unemployment Rates

Treasury used data on unemployment rates by county, through 2021, published by the Bureau of Labor Statistics (BLS) Local Area Unemployment Statistics (LAUS) dataset. BLS LAUS program data is derived from the Current Population Survey, which is the household survey that is the source of the national unemployment rate. 14

Land Values

Given the program's legislative purpose of providing additional funding to counties with federal lands and the lack of comprehensive availability of property value data at a county or territorial level, Treasury's allocation uses the amount of acres of federal land constituting entitlement land for the purposes of PILT and acquired or donated federal lands for purposes of the Refuge Revenue Sharing program for fiscal year 2021 in an eligible revenue sharing county.

Data Sources for "Other Economic Indicators"

Treasury considered various other economic indicators to factor into the allocation methodology. In evaluating whether to add a specific metric, staff considered whether there is available data at

the county level and the extent to which the additional metric captures something distinct from what is already required by the statute.

Treasury incorporated childhood poverty and population into the allocation as "other economic indicators." Childhood poverty, while correlated with overall poverty, provides a distinct measure of economic conditions, given the long-term impact of poverty on children. ¹⁶ Childhood poverty data is available as published by the Census Bureau at the county level in the SAIPE program, last published in December 2021, reflecting data for calendar year 2020, and is incorporated into the Economic Distress Index described further below.

Population is a useful proxy for the size of an economy and the extent of the burden placed on the county government to provide essential services. Population data at the county level is available as published by the Census Bureau via its Subcounty Resident Population Estimates data set. 17 To account for population as an additional economic indicator, as described further below, Treasury imposed a per capita maximum payment using population data as of July 1, 2021, scaled to the effective fiscal year 2021 per capita maximum under PILT.

Allocation Formula

Overall, Treasury's allocation formula is based on the calculation of a county's relative economic condition compared to other eligible revenue sharing counties and its acres of federal land. Allocations are subject to a total maximum of \$6,000,000, a total minimum of \$50,000, as well as a per capita maximum of \$300. This methodology and the above data sources were used to determine allocations for both fiscal years 2022 and 2023. Specifically, Treasury used the following methodology to allocate funds:

- Treasury calculated an Economic Distress Index (EDI) by multiplying economic
 indicators (poverty rate, childhood poverty rate, median household income, and
 unemployment rate), averaged over the 20-year period for which data are available, in
 proportion to their national figures (except for the data for Puerto Rico, which were
 averaged over the available 10-year period, and Guam and U.S. Virgin Islands, which do
 not have a calculated EDI, as further described below). A higher EDI value reflects
 relatively higher economic distress.
- Treasury sorted eligible revenue sharing counties into five groups based on the quintile of their EDI values, such that group 1 has the least distressed economic conditions and group 5 has the most distressed economic conditions. Counties in the same group rec eive the same "EDI group number," reflecting which EDI group they fall in. The relationship is such that counties in group 2 receive twice the EDI weighting as counties in group 1, counties in group 3 receive three times the EDI weighting as counties in group 1, counties

in group 4 receive four times the EDI weighting as counties in group 1, counties in group 5 receive five times the EDI weighting as counties in group 1.

- Treasury then calculated a county's "Scaled EDI" by multiplying its EDI group by its
 acres of federal land (sum of a county's PILT-eligible acres as listed by Interior as having
 land that is entitlement land for purposes of PILT or donated or acquired refuge land for
 purposes of the Refuge Revenue Sharing program).
- Treasury calculated the annual allocation for an eligible revenue sharing county by
 comparing the county's Scaled EDI as a proportion of the available annual funds
 (\$750,000,000) relative to the sum total of all Scaled EDIs, subject to a minimum, an
 absolute maximum, and a per capita maximum.
- Treasury calculated the total allocation of FY22 and FY23 payments by multiplying each
 eligible revenue sharing county's annual allocation by 2.

Treatment of the District of Columbia, Commonwealth of Puerto Rico, Guam, and the U.S. Virgin Islands

While all data described above is available for the District of Columbia, data availability varies for Puerto Rico, Guam, and the U.S. Virgin Islands. The District of Columbia is treated the same as other eligible revenue sharing countles in the allocation formula.

For Puerto Rico, while data is available for unemployment rate and land values, the data for poverty rate, childhood poverty rate, and median household income data is only available for a ten-year period, from 2010-2019. Accordingly, Treasury's evaluation of Puerto Rico's economic conditions is based on available data for 2010-2019.

For Guam and the U.S. Virgin Islands, BLS does not publish unemployment data, and poverty rate, childhood poverty rate, and median household income data is only available for 2009, 1999, and 1989 via the decennial Census. The available data suggests these territories should be placed in the most economically distressed group, group five, for purposes of the allocations.

Payment schedule

Treasury expects to make two payments to eligible counties. The first payment will be available immediately and will be made to eligible revenue sharing counties on a rolling basis. Treasury expects to make the second payment after the start of calendar year 2023.

To receive payments, eligible revenue sharing county governments must submit their information online through the Treasury Submission Portal, which is available at treasury.gov/LATCF. County governments will be required to complete payment information and sign an award agreement. The award agreement will cover both tranches of payments. After an eligible revenue sharing county government's submission is received, Treasury expects that it

December 12, 2022

MINUTES OF THE COLORADO COUNTY COMMISSIONER'S COURT REGULAR MEETING October 11, 2022

will take approximately 4-5 business days for Treasury to review and process the payment. Once the information and documentation submitted is determined to be complete and accurate, the point of contact that an eligible revenue sharing county government designates in its online submission will receive information regarding the timing and amount of the first payment.

The deadline to complete the submission is January 31, 2023, at 11:59 PM AKST. If an eligible revenue sharing county government does not complete its submission by that deadline, the eligible revenue sharing county government will not be eligible to receive any payments under the LATCF.

Treasury may reallocate funds unclaimed by eligible revenue sharing county governments by the deadline noted. Treasury expects that the reallocated funds will be included in the second payment to counties that submitted the requisite information by the deadline.

In fiscal year 2023, Treasury expects to communicate to eligible revenue sharing county governments the amount of such reallocation, if any, and the date for the second payment.

Re: Important Information about Claims Information Line

Dear LANGFORD COMMUNITY MANAGEMENT SERVICES, INC

Travelers Bond & Specialty Insurance is pleased to announce its **1-800-842-8496** Claims Information Line. This line is designed to provide insureds with an additional resource on how to report claims or those circumstances or events which may become claims.

Policyholders will be able to obtain assistance on the following topics from the Claims Information Line:

- · The information that needs to be included with the claim notice
- The address, electronic mail address and/or facsimile number to which the policyholder can send claims related information
- · Get questions on the claim process answered

The Declarations Page of your policy sets forth where you should report claims and claims related information. You should also review the policy's reporting requirements to be aware of how much time you have to report a claim to Travelers. The sooner Travelers is notified, the sooner we can become involved in the process and offer assistance to our policyholder. A delay in reporting may result in all or part of a matter to fall outside of the coverage provided.

The Claims Information Line should streamline the claim reporting process and allow policyholders to ask questions on what information is needed as well as other questions which will assist them in working with Travelers. While the Claims Information Line provides policyholders a valuable resource by answering questions and providing information, the line does not replace the reporting requirements contained in the Policy.

We hope this improvement to customer service is something our policyholders will find helps them understand the claim process and provides them a resource for reporting.

The **Insured** shall bear uninsured at its own risk the amount of any applicable Retention, which amount must be paid in satisfaction of **Loss**.

If any Claim gives rise to coverage under a single Liability Coverage, the Company has no obligation to pay Loss, including Defense Expenses, until the applicable Retention amount set forth in ITEM 5 of the Declarations has been paid by the Insured.

If any Claim is subject to different Retentions under a single Liability Coverage, the applicable Retentions will be applied separately to each part of such Claim, but the sum of such Retentions will not exceed the largest applicable Retention under such Liability Coverage.

If any Claim gives rise to coverage under two or more Liability Coverages, the Company shall have no obligation to pay Loss, including Defense Expenses, until the largest Retention that is applicable to such Claim under such Liability Coverages has been paid by the Insured.

No Retention will apply to an **Insured Person** if indemnification by the **Insured Organization** is not permitted by law or if the **Insured Organization** is unable to make such indemnification solely by reason of its **Financial Insolvency**. The **Insured Organization** will be conclusively deemed to have indemnified all **Insured Persons** to the extent that the **Insured Organization** is permitted or required to indemnify them pursuant to law, common or statutory, or contract, or the charter or by-laws of the **Insured Organization**.

The Company, at its sole discretion, may pay all or part of the Retention amount on behalf of any **Insured**, and in such event, the **Insureds** agree to repay the Company any amounts so paid.

COMMISSIONER'S COURT REGULAR MEETING

December 12, 2022

4. Other Provisions

Payment of **Defense Expenses** will reduce and may exhaust all applicable limits of liability. In the event the amount of **Loss** exceeds the portion of the applicable limit of liability remaining after prior payments of **Loss**, the Company's liability will not exceed the remaining amount of the applicable limit of liability. In no event will the Company be obligated to make any payment for **Loss**, including **Defense Expenses**, with regard to a **Claim** after the applicable limit of liability has been exhausted by payment or tender of payment of **Loss**.

If a Liability Coverage Limit of Liability is exhausted by the payment of amounts covered under such Liability Coverage, the premium for such Liability Coverage will be fully earned, all obligations of the Company under such Liability Coverage will be completely fulfilled and exhausted, including any duty to defend, and the Company will have no further obligations of any kind or nature whatsoever under such Liability Coverage.

D. ADDITIONAL DEFENSE COVERAGE

Regardless of the number of persons or entities bringing Claims or the number of persons or entities who are Insureds, and regardless of when payment is made by the Company or when an Insured's legal obligation with regard thereto arises or is established, if ITEM 5 of the Declarations indicates that any Liability Coverage includes Additional Defense Coverage, Defense Expenses incurred by the Company or the Insured, with the Company's consent, in the defense of any Claim made during the Policy Period under any such Liability Coverage will apply first to and reduce the Additional Defense Limit of Liability. The Additional Defense Limit of Liability will be in addition to, and not part of, such Liability Coverage's applicable Liability Coverage Limit of Liability or Liability Coverage Shared Limit of Liability, if applicable. The Additional Defense Limit of Liability is applicable to Defense Expenses only. If the Annual Reinstatement of the Liability Coverage Limit of Liability is applicable, the Additional Defense Limit of Liability will be reinstated for each Policy Year.

Upon exhaustion of the Additional Defense Limit of Liability:

- Defense Expenses incurred by the Company or the Insured, with the Company's consent, in the defense of a Claim are part of and not in addition to any applicable limit of liability; and
- 2. payment by the Company or the **Insured**, with the Company's consent, of **Defense Expenses** reduces any applicable limit of liability.

E. CLAIM DEFENSE

- 1. If Duty-to-Defend coverage is provided with respect to this Liability Policy as indicated in ITEM 7 of the Declarations, the Company will have the right and duty to defend any Claim covered by a Liability Coverage, even if the allegations are groundless, false or fraudulent, including the right to select defense counsel with respect to such Claim; provided, that the Company will not be obligated to defend or to continue to defend any Claim after the applicable limit of liability has been exhausted by payment of Loss.
- If Reimbursement coverage is provided with respect to this Liability Policy as indicated in ITEM
 7 of the Declarations:
 - a. the Company will have no duty to defend any Claim covered by a Liability Coverage. It will be the duty of the Insured to defend such Claims; and the Company will have the right to participate with the Insured in the investigation, defense and settlement, including the negotiation of a settlement of any Claim that appears reasonably likely to be covered in whole or in part by such Liability Coverage and the selection of appropriate defense counsel; and
 - b. upon written request, the Company will advance Defense Expenses with respect to such Claim. Such advanced payments by the Company will be repaid to the Company by the Insureds severally according to their respective interests in the event and to the extent that the Insureds are not entitled to payment of such Defense Expenses under such Liability Coverage. As a condition of any payment of Defense Expenses under this subsection, the Company may require a written undertaking on terms and conditions satisfactory to the Company guaranteeing the repayment of any Defense Expenses paid to or on behalf of any Insured if it is finally determined that any such Claim or portion of any Claim is not covered under such Liability Coverage.

COMMISSIONER'S COURT REGULAR MEETING

December 12, 2022

3. The Insured agrees to cooperate with the Company and, upon the Company's request, assist in making settlements and in the defense of Claims and in enforcing rights of contribution or indemnity against any person or entity which may be liable to the Insured because of an act or omission insured under such Liability Coverage, will attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses.

F. INSURED'S DUTIES IN THE EVENT OF A CLAIM

The Insured's duty to report a Claim commences on the earliest date a written notice thereof is received by an Executive Officer. If an Executive Officer becomes aware that a Claim has been made against any Insured, the Insured, as a condition precedent to any rights under this Liability Policy, must give to the Company written notice of the particulars of such Claim, including all facts related to any alleged Wrongful Act, the identity of each person allegedly involved in or affected by such Wrongful Act, and the dates of the alleged events, as soon as practicable. The Insured agrees to give the Company such information, assistance and cooperation as it may reasonably require.

All notices under this subsection must be sent by mail or prepaid express courier to the address set forth in ITEM 3 of the Declarations and will be effective upon receipt. The **Insured** agrees not to voluntarily settle any **Claim**, make any settlement offer, assume or admit any liability or, except at the **Insured's** own cost, voluntarily make any payment, pay or incur any **Defense Expenses**, or assume any obligation or incur any other expense, without the Company's prior written consent, such consent not to be unreasonably withheld. The Company is not liable for any settlement, **Defense Expenses**, assumed obligation or admission to which it has not consented.

G. NOTICE OF POTENTIAL CLAIMS

If an Insured becomes aware of a Potential Claim and gives the Company written notice of the particulars of such Potential Claim, including all facts related to the Wrongful Act, the identity of each person allegedly involved in or affected by such Wrongful Act, the dates of the alleged events, and the reasons for anticipating a Claim, as soon as practicable during the Policy Period, or if exercised, during the Extended Reporting Period or Run-Off Extended Reporting Period, any Claim subsequently made against any Insured arising out of such Wrongful Act will be deemed to have been made during the Policy Period.

All notices under this subsection must be sent by mail or prepaid express courier to the address set forth in ITEM 3 of the Declarations and will be effective upon receipt.

H. RELATED CLAIMS

All Claims or Potential Claims for Related Wrongful Acts will be considered as a single Claim or Potential Claim, whichever is applicable, for purposes of this Liability Policy. All Claims or Potential Claims for Related Wrongful Acts will be deemed to have been made at the time the first of such Claims or Potential Claims for Related Wrongful Acts was made whether prior to or during the Policy Period, or if exercised, during the Extended Reporting Period or Run-Off Extended Reporting Period.

I. SUBROGATION

In the event of payment under this **Liability Policy**, the Company is subrogated to all of the **Insured's** rights of recovery against any person or organization to the extent of such payment and the **Insured** agrees to execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **Insured** will do nothing to prejudice such rights.

J. RECOVERIES

All recoveries from third parties for payments made under this **Liability Policy** will be applied, after first deducting the costs and expenses incurred in obtaining such recovery, in the following order of priority:

- first, to the Company to reimburse the Company for any Retention amount it has paid on behalf of any Insured;
- second, to the Insured to reimburse the Insured for the amount it has paid which would have been paid hereunder but for the fact that it is in excess of the applicable limits of liability hereunder:

COMMISSIONER'S COURT REGULAR MEETING

December 12, 2022

- 3. third, to the Company to reimburse the Company for the amount paid hereunder; and
- 4. fourth, to the **Insured** in satisfaction of any applicable Retention; provided, recoveries do not include any recovery from insurance, suretyship, reinsurance, security or indemnity taken for the Company's benefit.

K. CHANGE OF CONTROL

If, during the **Policy Period**, a **Change of Control** occurs, coverage will continue in full force and effect with respect to **Claims** for **Wrongful Acts** committed before such event, but coverage will cease with respect to **Claims** for **Wrongful Acts** committed after such event. No coverage will be available hereunder for **Loss**, including **Defense Expenses**, for any **Claim** based upon, alleging, arising out of, or in any way relating to, directly or indirectly any **Wrongful Act** committed or allegedly committed after such event. After any such event, the **Liability Policy** may not be canceled by the **Named Insured** and the entire premium for the **Liability Policy** will be deemed fully earned.

Upon the occurrence of any Change of Control, the Named Insured will have the right to give the Company notice that it desires to purchase a Run-Off Extended Reporting Period for any Liability Coverage for the period set forth in ITEM 9 of the Declarations following the effective date of such Change of Control, regarding Claims made during such Run-Off Extended Reporting Period against persons or entities who at the effective date of the Change of Control are Insureds, but only for Wrongful Acts occurring wholly prior to such Change of Control and which otherwise would be covered by such Liability Coverage, subject to the following provisions:

- such Run-Off Extended Reporting Period will not provide new, additional or renewed limits of liability; and
- the Company's total liability for all Claims made during such Run-Off Extended Reporting Period will be only the remaining portion of the applicable limit of liability set forth in the Declarations as of the effective date of the Change of Control.

The premium due for the Run-Off Extended Reporting Period will equal the percentage set forth in ITEM 9 of the Declarations of the annualized premium of the applicable **Liability Coverage**, including the fully annualized amount of any additional premiums charged by the Company during the **Policy Period** prior to the **Change of Control**. The entire premium for the Run-Off Extended Reporting Period will be deemed fully earned at the commencement of such Run-Off Extended Reporting Period.

The right to elect the Run-Off Extended Reporting Period will terminate unless written notice of such election, together with payment of the additional premium due, is received by the Company within thirty (30) days of the **Change of Control**. In the event the Run-Off Extended Reporting Period is purchased, the option to purchase the Extended Reporting Period in Section III. CONDITIONS O. EXTENDED REPORTING PERIOD of these Liability Coverage Terms and Conditions will terminate. In the event the Run-Off Extended Reporting Period is not purchased, the **Named Insured** will have the right to purchase the Extended Reporting Period under the terms of Section III. CONDITIONS O. EXTENDED REPORTING PERIOD of these Liability Coverage Terms and Conditions.

If, at any time during the **Policy Period**, the **Insured Organization** eliminates or reduces its ownership interest in, or control over a **Subsidiary**, such that it no longer meets the definition of a **Subsidiary**, coverage will continue for such entity but only with regard to **Claims** for **Wrongful Acts** which occurred wholly during the time that the entity was a **Subsidiary**.

L. ACQUISITIONS

If, during the Policy Period, the Insured Organization acquires or forms a Subsidiary, this Liability Policy will provide coverage for such Subsidiary and its respective Insured Persons, subject to all other terms and conditions of this Liability Policy, provided written notice of such acquisition or formation has been given to the Company, and specific application has been submitted on the Company's form in use at the time, together with such documentation and information as the Company may require, all within ninety (90) days after the effective date of such formation or acquisition. Coverage for such Subsidiary will not be afforded following such 90-day period unless the Company has agreed to provide such coverage, subject to any additional terms and conditions as the Company may require, and the Named Insured has paid the Company any additional premium as may be required by the Company.

COMMISSIONER'S COURT REGULAR MEETING

December 12, 2022

The 90-day notice requirement and the 90-day limitation of coverage will not apply provided that: (1) the assets of the acquired or formed **Subsidiary** do not exceed 30% of the total assets of the **Insured Organization**'s most recent fiscal year-end financial statement; or (2) the acquisition or formation occurs less than 90 days prior to the end of the **Policy Period**.

M. SPOUSAL AND DOMESTIC PARTNER LIABILITY COVERAGE

This **Liability Policy** will, subject to all of its terms, conditions, and limitations, be extended to apply to **Loss** resulting from a **Claim** made against a person who, at the time the **Claim** is made, is a lawful spouse or a person qualifying as a domestic partner under the provisions of any applicable federal, state or local law (a "Domestic Partner") of an **Insured Person**, but only if and so long as:

- the Claim against such spouse or Domestic Partner results from a Wrongful Act actually or allegedly committed by the Insured Person, to whom the spouse is married, or who is joined with the Domestic Partner; and
- 2. such **Insured Person** and his or her spouse or Domestic Partner are represented by the same counsel in connection with such **Claim**.

No spouse or Domestic Partner of an **Insured Person** will, by reason of this subsection have any greater right to coverage under this **Liability Policy** than the **Insured Person** to whom such spouse is married, or to whom such Domestic Partner is joined.

The Company has no obligation to make any payment for Loss in connection with any Claim against a spouse or Domestic Partner of an Insured Person for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty by such spouse or Domestic Partner.

N. FOREIGN PARENT CORPORATION COVERAGE

This Liability Policy will, subject to all of its terms, conditions, and limitations, be extended to apply coverage for Defense Expenses resulting from any Claim made against a Foreign Parent Corporation, but only if and so long as:

- 1. such Claim results from a Wrongful Act actually or allegedly committed solely by any Insured;
- 2. such Insured and the Foreign Parent Corporation are represented by the same counsel in connection with such Claim; and
- such Insured is included as a co-defendant.

No Foreign Parent Corporation will, by reason of this subsection, have any greater right to coverage under this Liability Policy than any Insured.

The Company has no obligation to make any payment for **Loss** in connection with any **Claim** against a **Foreign Parent Corporation** for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty by such **Foreign Parent Corporation** or any member of the board of directors, officer, employee, or functional equivalent thereof.

O. EXTENDED REPORTING PERIOD

At any time prior to or within 60 days after the effective date of termination or cancellation of any Liability Coverage for any reason other than nonpayment of premium, the **Named Insured** may give the Company written notice that it desires to purchase an Extended Reporting Period for the period set forth in ITEM 8 of the Declarations following the effective date of such termination or cancellation, regarding **Claims** made during such Extended Reporting Period against persons or entities who at or prior to the effective date of termination or cancellation are **Insureds**, but only for **Wrongful Acts** occurring wholly prior to the effective date of the termination or cancellation and which otherwise would be covered by such **Liability Coverage**, subject to the following provisions:

- such Extended Reporting Period will not provide a new, additional or renewed limit(s) of liability;
 and
- the Company's maximum limit of liability for all Claims made during such Extended Reporting Period will be only the remaining portion of the applicable limit of liability set forth in the Declarations as of the effective date of the termination or cancellation;

COMMISSIONER'S COURT REGULAR MEETING

December 12, 2022

The premium due for the Extended Reporting Period will equal the percentage set forth in ITEM 8 of the Declarations of the annualized premium of the applicable **Liability Coverage**, including the fully annualized amount of any additional premiums charged by the Company during the **Policy Year** prior to such termination or cancellation. The entire premium for the Extended Reporting Period will be deemed to have been fully earned at the commencement of such Extended Reporting Period.

The right to elect the Extended Reporting Period will terminate unless written notice of such election, together with payment of the additional premium due, is received by the Company within 60 days of the effective date of the termination or cancellation.

P. ALLOCATION

- 1. If Duty-to-Defend coverage is indicated in ITEM 7 of the Declarations and there is a Claim under any Liability Coverage in which the Insureds who are afforded coverage for such Claim incur an amount consisting of both Loss that is covered by such Liability Coverage and also loss that is not covered by such Liability Coverage because such Claim includes both covered and uncovered matters or covered and uncovered parties, then such covered Loss and uncovered loss will be allocated as follows:
 - one hundred percent (100%) of Defense Expenses incurred by the Insureds who are afforded coverage for such Claim will be allocated to covered Loss; and
 - b. all loss other than **Defense Expense** will be allocated between covered **Loss** and uncovered loss based upon the relative legal and financial exposures of, and relative benefits obtained in connection with the defense and settlement of the **Claim** by the **Insured Persons**, the **Insured Organization**, and others not insured under such **Liability Coverage**. In making such a determination, the **Insured Organization**, the **Insured Persons** and the Company agree to use their best efforts to determine a fair and proper allocation of all such amounts. In the event that an allocation cannot be agreed to, then the Company will be obligated to make an interim payment of the amount of **Loss** which the parties agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of the applicable **Liability Coverage** and applicable law.
- 2. If Reimbursement coverage is indicated in ITEM 7 of the Declarations and there is a Claim under any Liability Coverage in which the Insureds who are afforded coverage for such Claim incur an amount consisting of both Loss that is covered by such Liability Coverage and also loss that is not covered by such Liability Coverage because such Claim includes both covered and uncovered matters or covered and uncovered parties, the Insureds and the Company agree to use their best efforts to determine a fair and proper allocation of all such amounts. In making such a determination, the parties will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense and settlement of the Claim by the Insured Persons, the Insured Organization, and others not insured under the applicable Liability Coverage. In the event that an allocation cannot be agreed to, then the Company will be obligated to make an interim payment of the amount of Loss which the parties agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of the applicable Liability Coverage and applicable law.

Q. CANCELLATION

The Company may cancel this **Liability Policy** for failure to pay a premium when due, in which case twenty (20) days written notice will be given to the **Named Insured**, unless, payment in full is received within twenty (20) days of the **Named Insured's** receipt of such notice of cancellation. The Company has the right to the premium amount for the portion of the **Policy Period** during which this **Liability Policy** was in effect.

Subject to the provisions set forth in Section III. CONDITIONS K. CHANGE OF CONTROL, the Named Insured may cancel any Liability Coverage by mailing the Company written notice stating when, thereafter, not later than the Expiration Date set forth in ITEM 2 of the Declarations, such cancellation will be effective. In the event the Named Insured cancels, the earned premium will be computed in accordance with the customary short rate table and procedure. Premium adjustment may be made either at the time cancellation is effective or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

COMMISSIONER'S COURT REGULAR MEETING

December 12, 2022

The Company will not be required to renew this **Liability Policy** upon its expiration. If the Company elects not to renew, it will provide to the **Named Insured** written notice to that effect at least thirty (30) days before the Expiration Date set forth in ITEM 2 of the Declarations.

R. ACTION AGAINST THE COMPANY

No action will lie against the Company unless there has been full compliance with all of the terms of this Liability Policy.

No person or organization has any right under this **Liability Policy** to join the Company as a party to any action against the **Insured** to determine the **Insured's** liability, nor may the Company be impleaded by an **Insured** or said **Insured's** legal representative. Bankruptcy or insolvency of any **Insured** or an **Insured's** estate does not relieve the Company of any of its obligations hereunder.

S. CHANGES

Only the Named Insured is authorized to make changes in the terms of this Liability Policy and solely with the Company's prior written consent. This Liability Policy's terms can be changed, amended or waived only by endorsement issued by the Company and made a part of this Liability Policy. Notice to any representative of the Insured or knowledge possessed by any agent or by any other person will not effect a waiver or change to any part of this Liability Policy, or estop the Company from asserting any right under the terms, conditions and limitations of this Liability Policy, nor may the terms, conditions and limitations hereunder be waived or changed, except by a written endorsement to this Liability Policy issued by the Company.

T. ASSIGNMENT

This **Liability Policy** may not be assigned or transferred, and any such attempted assignment or transfer is void and without effect unless the Company has provided its prior written consent to such assignment or transfer.

U. REPRESENTATIONS

By acceptance of the terms set forth in this **Liability Policy**, each **Insured** represents and agrees that the statements contained in the **Application**, which is deemed to be attached hereto, incorporated herein, and forming a part hereof, are said **Insured's** agreements and representations, that such representations are material to the Company's acceptance of this risk, that this **Liability Policy** is issued in reliance upon the truth of such representations, and embodies all agreements existing between said **Insured** and the Company or any of its agents.

If any statement or representation in the **Application** is untrue with respect to any **Liability Coverage**, such **Liability Coverage** is void and of no effect whatsoever, but only with respect to:

- any Insured Person who knew, as of the Inception Date set forth in ITEM 2 of the Declarations, that the statement or representation was untrue;
- any Insured Organization, with respect to its indemnification coverage, to the extent it indemnifies any Insured Person referenced in 1. above; and
- any Insured Organization, if the person who signed the Application knew that the statement or representation was untrue.

Whether an Insured Person had such knowledge will be determined without regard to whether the Insured Person actually knew the Application, or any other application completed for this Liability Policy, contained any such untrue statement or representation.

V. LIBERALIZATION

If, during the **Policy Period**, the Company is required, by law or by insurance supervisory authorities of the state in which this **Liability Policy** was issued, to make any changes in the form of this **Liability Policy**, by which the insurance afforded by this **Liability Policy** could be extended or broadened without increased premium charge by endorsement or substitution of form, then such extended or broadened insurance will inure to the benefit of the **Insured** as of the date the revision or change is approved for general use by the applicable department of insurance.

IV. SEVERABILITY OF EXCLUSIONS

No conduct of any Insured Person will be imputed to any other Insured Person to determine the application of any of the Exclusions set forth in section III. EXCLUSIONS.

V. CONDITIONS

A. RETENTION

This section V. CONDITIONS A. RETENTION supplements and does not replace section III. CONDITIONS B. RETENTION of the Liability Coverage Terms and Conditions.

If any Claim alleges that an Insured committed any criminal, dishonest or fraudulent act or omission or any willful violation of any statute, rule, or law, or gained any profit, remuneration, or advantage to which such Insured was not legally entitled, then no retention will apply to Defense Expenses resulting from such Claim, and the Company will reimburse the Insured Organization for any Defense Expenses paid by the Insured Organization in connection with any such Claim, if:

B. SETTLEMENT

The Company may, with the written consent of the **Insured**, make such settlement or compromise of any **Claim** as the Company deems expedient. Honorable Judge and Commissioners comprising the Commissioner's Court of Colorado County, TX

RE: Compensatory Time

Gentlemen,

In light of the recent discussion regarding compensatory time:

When I joined the County on July 18, 2022, the forms that were presented to me to sign included the Compensatory Time Off Agreement (attached). I questioned the form initially, since I have not received compensatory time for ANY time during my 40 year working career. I was assured that I was eligible for compensatory time within the stated personnel policies.

As such, I have recorded time for hours that have been spent working on the County's behalf for ONLY hours that I was actually working on County property. I have never included the numerous hours that I have spent working at home, after hours or on the weekend.

Since this has seemed to be an area of concern, i would like to propose the following:

- I will continue to record ALL hours working on the County's behalf because I believe that I am
 accountable to the taxpayers and the citizens of the County for my time, regardless of whether I
 am in my current position or upon my official appointment as the County Auditor.
- The estimated number of compensatory hours that I have accrued through the end of October is approximately 85 hours. When benefits are included, this would be approximately a \$3200.00 cost to the county.
- 3. I would like to contribute this amount back to the County that will equate to approximately 6% of the cost of the new system licensing costs.

I will continue to work diligently to utilize time and resources for the benefit of the taxpayers and the citizens of the County and will continue to be accountable for the time for which I am being compensated.

Sincerely,

Michelle Lowrance

Review of Monthly Revenue Reports from County Officers November 2022

Date: November 30, 2022

Submitting Office: Colorado County Auditor's Office

Contact

Raymie Kana **County Auditor**

318 Spring St., Suite 104 Columbus, TX 78934 (979) 732-2791

Audit Objectives:

Under current Texas law, the county auditor shall carefully examine and report on all reports that are about the collection of money for the county and that are required to be made to the commissioners' court.

Our primary objectives were to 1) make sure all required reports include proper information 2) required reports are presented to the commissioners' court 3) reconcile department distribution summary to the general ledger 4) verify all funds collected have been deposited with the county treasurer and 5) timeliness of deposits.

This examination was not designed to detect all errors and did not involve detailed examinations of transactions and documents. Different procedures are used in different offices and thus not all offices were reviewed.

We examined the following reports submitted to the Auditor's office for October 2022/November 2022 from:

County Clerk

District Clerk

Justice of the Peace, Precinct 1 Justice of the Peace, Precinct 2

Justice of the Peace, Precinct 3

Tax Assessor/Collector

Chuck Rogers with Office of Emergency Management stated the past weekend was busy for EMS and first responders. On Sunday morning a propane tank was on fire in the Frelsburg area. The landowner had placed the tank over 20 yards from the house which saved the structure. He also stated he is working on getting the antenna off the ground but needs to find ground for it first.

Michael Fuhrr with Colorado County EMS apologized for not having an agenda item for an EMS update. EMS had 266 calls for service in November, out of those calls 53 were emergency or non-emergency transfers. Three transfers were denied. Collections have been trending upward and have started to level out. An interview committee conducted interviews last week and the candidates for assistant director have been narrowed from seven to two. He is hoping a decision will be made by early next week.
