

**APPLICATION FOR CULVERT INSTALLATION
ON COLORADO COUNTY ROAD RIGHT-OF-WAY**

Name of Applicant: _____
Mailing address: _____
City/State/Zip Code: _____, TX _____
Home Phone: (_____) _____ Work Phone: (_____) _____
Physical address of culvert: _____

I am applying for permission to install a culvert on a county road right-of-way and agree to the following:

1. It is my responsibility to arrange and pay for the private construction, installation, materials, and maintenance of the culvert.
2. The culvert must be of sufficient diameter to prevent erosion, overflow, water backing up, or damage or flooding of another person's property. The commissioner of the precinct in which the culvert is located will determine the minimum diameter. All "driveway" culverts will be a minimum width of 20 feet.
3. I agree to hold harmless Colorado County and its officials, agents, and employees against any action for personal injury or property damage sustained by reason of the exercise of this culvert permit or the determination of the minimum diameter. I agree to make any changes, maintenance, or repairs as may be necessary or required by the County, even after this culvert has been installed, to provide protection of life or property on or adjacent to the county road.

Date Applicant (signature)

PERMIT FOR CULVERT INSTALLATION

The application for a culvert is approved subject to the following requirements:

1. The culvert shall be a minimum of _____ feet long and _____ in diameter.
2. The culvert must be installed within one year.
3. You must notify the undersigned Commissioner when the installation has been completed.
4. Other: _____

Date Commissioner, Pct. _____

INSPECTION AFTER CULVERT INSTALLATION

I certify that the culvert has been installed in accordance with the requirements set forth above.

Date Commissioner, Pct. _____
