Section 1: Introduction

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in any program or activity receiving federal financial assistance. Several other federal legal authorities supplement Title VI by extending protections based on age, sex, and disability. In addition, the Civil Rights Restoration Act of 1987 clarified Title VI enforcement by mandating the Title VI requirements apply to *all* programs and activities of federal-aid recipients regardless of whether any particular program or activity involves federal funds. Taken together, these laws require recipients and subrecipients of federal funds to ensure all programs and services are delivered to the public without discrimination.

The County of Colorado, as a recipient of federal financial assistance, will ensure full compliance with Title VI of the Civil Rights Act of 1964; 49 C.F.R. Part 21 (Department of Transportation Regulations for the Implementation of Title VI of the Civil Rights Act of 1964); and related statutes and regulations. The County of Colorado acknowledges it is subject to and will comply with Federal Highway Administration Title VI Assurances.

This plan explains how the County of Colorado incorporates the requirements of Title VI and related legal authorities into its operations. The plan will be used as a reference for the County of Colorado and an informational resource for the public. The plan will be updated every 3 years to reflect changes in Title VI compliance operations.

Section 2: Discrimination Under Title VI

It is the responsibility of every Colorado County employee to prevent, minimize, and eradicate any form of discrimination. There are two types of discrimination prohibited under Title VI and its related statutes: (1) disparate treatment that alleges similarly situated persons are treated differently because of their race, color, or national origin (i.e., intentional discrimination); and (2) disparate impact/effects when a facially neutral policy, procedure, or practice results in different or inferior services or benefits to members of a protected group. The focus of disparate impact is on the consequences of a decision, policy, or practice rather than the intent.

Prohibited forms of discrimination may include, but not be limited to, the following:

- The denial of services, financial aid, or other benefits provided under a program;
- Distinctions in the quality, quantity, or manner in which a benefit is provided;
- Segregation or separation of persons in any part of the program;
- Restriction in the enjoyment of any advantages, privileges, or other benefits provided to others;
- Differing standards or requirements for participation;

- Methods of administration that directly or indirectly, or through contractual relationships would defeat or impair the accomplishment of effective nondiscrimination; or
- Discrimination in any activities or services related to a highway, infrastructure or facility built or repaired in whole or in part with federal funds.

Colorado County’s efforts to prevent such discrimination must address, but not be limited to, how a program or activity:

- Impacts the public;
- Provides accessibility;
- Provides equal access to benefits;
- Encourages participation;
- Provides services equitably
- Initiates contracting and training opportunities;
- Investigates complaints;
- Allocates funding; and
- Prioritizes projects.

Section 3: Authorities

The authorities applicable to Colorado County VI/Nondiscrimination Program include:

- **Title VI of the Civil Rights Act of 1964** (*42 U.S.C. §2000d et seq., 78 stat. 252*), (*prohibits discrimination on the basis of race, color, national origin*);
- **49 CFR Part 21** (*entitled Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964*);
- **23 CFR Part 200** (*FHWA’s Title VI/Nondiscrimination Regulation*);
- **28 CFR Part 50.3** (*U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964*); and,
- **Texas Administrative Code §9.4, Civil Rights – Title VI Compliance**

Section 4: Title VI Policy Statement

It is the policy of Colorado County that no person shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any operation of Colorado County as provided by the Title VI of the Civil Rights Act of 1964 and related statutes.

This policy applies to all operations of Colorado County, including its contractors and anyone who acts on behalf of Colorado County. This policy also applies to the operations of any department or agency to which Colorado County extends federal financial assistance. Federal financial assistance includes grants, training, use of equipment, donations of surplus property, and other assistance.

The nondiscrimination statement signed by the Colorado County Judge, Ty Prause, is included as Attachment 1.

Section 5: Standard DOT Assurances

The U.S. DOT requires that federal financial assistance be provided on the condition that the recipient provides an assurance that its programs and activities will be conducted in compliance with Title VI of the Civil Rights Act of 1964. The requirement is located at 49 CFR 21.7(a). To support the implementation of this requirement, the U.S. DOT provided an assurances agreement in U.S. DOT Order 1050.2A that federal fund recipients and subrecipients must sign as a condition of receiving federal financial assistance.

The assurances agreement provides specific non-discrimination language, Colorado County, is required to include in bid solicitations or requests for proposal, contracts, and real estate agreements. Colorado County is committed to ensuring the necessary language is used as prescribed in the assurances agreement.

In accordance with this requirement, Colorado County has signed the U.S. DOT Standard Title VI/Nondiscrimination Assurances and Appendices. The documents are attached as Attachment 1.

Section 6: Organization and Staffing

Colorado County Judge, Ty Prause, is ultimately responsible for assuring full compliance with the provisions of Title VI of the Civil Rights Act of 1964 and related statutes and has directed that non-discrimination is required of all agency employees, contractors, and agents pursuant to 23 C.F.R. Part 200 and 49 C.F.R. Part 21.

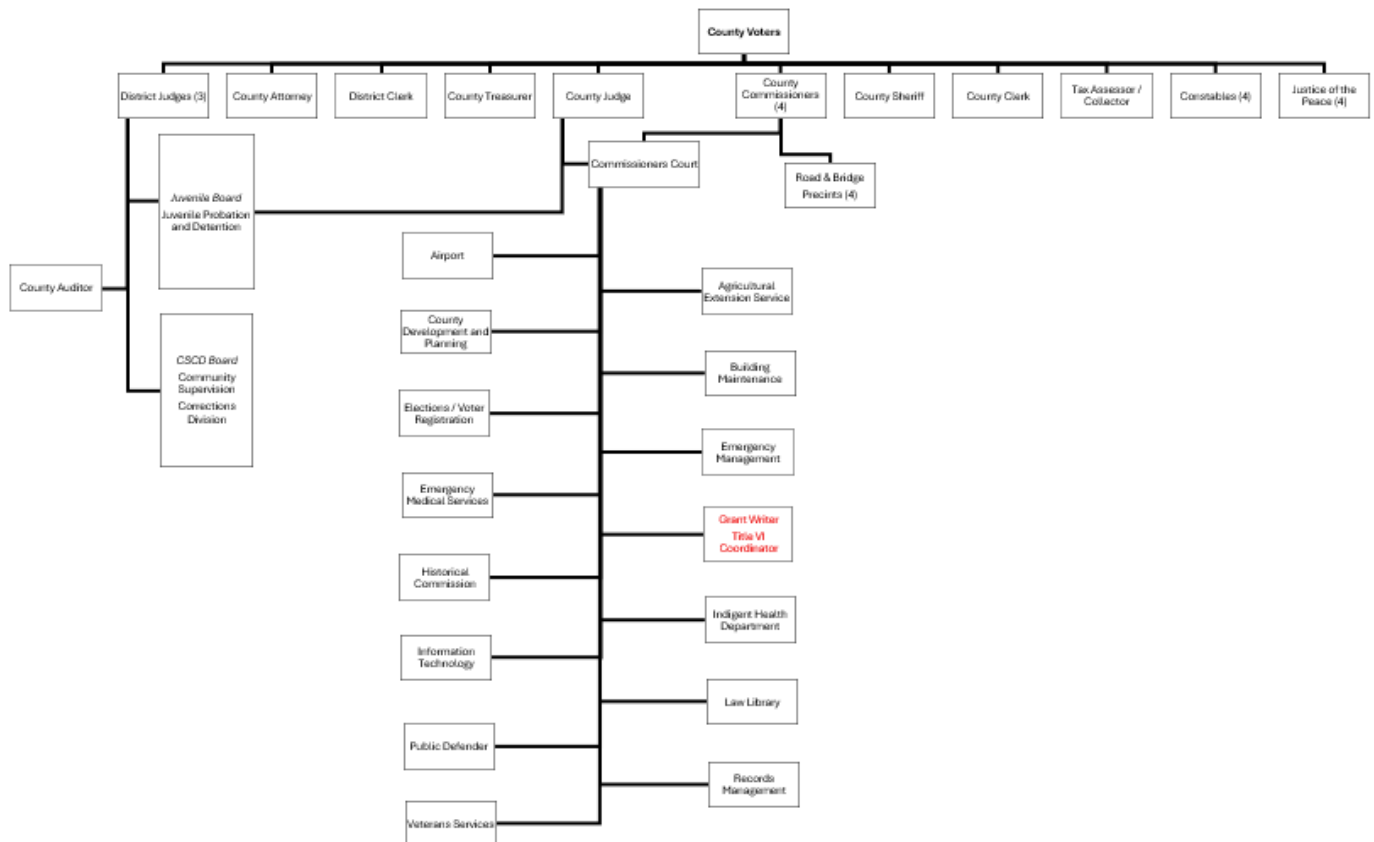

Colorado County has assigned Sharlyn Wagner, Colorado County Grant Writer, to perform the duties of the Title VI Coordinator and ensure implementation of the agency's Title VI program. The position of Grant Writer is located within the Colorado County Office of Grant Administration.

The Title VI Coordinator is responsible for:

- Maintaining and updating the Title VI Plan on the agency's behalf;
- Ensuring relevant agency staff receive necessary Title VI training;

- Ensuring prompt processing of Title VI complaints and referral to Texas Department of Transportation;
- Developing procedures for the collection and analysis of statistical data;
- Developing a program to conduct Title VI reviews of program areas; and
- Developing Title VI information for dissemination internally and externally;

ONLINE: Title VI Complaint Form

After submitting a complaint, the complainant will receive correspondence informing them of the status of the complaint within ten (10) business days from Colorado County or other agency receiving the complaint.

Complaints received by Colorado County's Title VI Coordinator are forwarded to the TxDOT Office of Civil Rights (OCR). TxDOT OCR will forward the complaint to the FHWA Texas Division Office, along with a preliminary processing recommendation. The FHWA Texas Division Office will forward the complaint to FHWA Headquarters Office of Civil Rights (HCR).

FHWA HCR is responsible for all determinations regarding whether to accept, dismiss, or transfer Title VI complaints. There are four potential outcomes for processing complaints:

- **Accept:** If a complaint is timely filed, contains sufficient information to support a claim under Title VI, and concerns matters under the FHWA's jurisdiction, then HCR will send to the complainant, the respondent agency, and the FHWA Texas Division Office a written notice that it has accepted the complaint for investigation.
- **Preliminary Review:** If it is unclear whether the complaint allegations are sufficient to support a claim under Title VI, then HCR may (1) dismiss it or (2) engage in a preliminary review to acquire additional information from the complainant and/or respondent before deciding whether to accept, dismiss, or refer the complaint.
- **Procedural Dismissal:** If a complaint is not timely filed, is not in writing and signed, or features other procedural/practical defect, then HCR will send the complainant, respondent, and FHWA Texas Division Office a written notice that it is dismissing the complaint.
- **Referral/Dismissal:** If the complaint is procedurally sufficient but FHWA (1) lacks jurisdiction over the subject matter or (2) lacks jurisdiction over the respondent entity, then HCR will either dismiss the complaint or refer it to another agency that does have jurisdiction. If HCR dismisses the complaint, it will send the complainant, respondent, and FHWA Division Office a copy of the written dismissal notice. For referrals, FHWA will send a written referral notice with a copy of the complaint to the proper Federal agency and a copy to the USDOT Department Office of Civil Rights.

Complaints are not investigated by Colorado County. FHWA HCR is responsible for investigating all complaints. FHWA HCR may also delegate the investigation to TxDOT OCR, who would then conduct all data requests, interviews, and analysis and create a Report of Investigation (ROI). TxDOT OCR will have sixty (60) business days from the date the investigation is delegated to prepare the ROI and send it to HCR. HCR will review the ROI and compose a Letter of Finding based on the ROI.

Complaint Log

Colorado County maintains a complaint log to document all activity related to the complaint. Information captured includes:

- Complainant's name, and if provided, race, color, and national origin;
- Respondent's name;
- Basis(es) of the discrimination complaint;
- Allegation(s)/Issue(s) surrounding the discrimination complaint;

- Date the investigation was complete;

Section 10: Notice of Rights

In accordance with 23 CFR 200.9(a)(12), Colorado County is required to develop Title VI information for dissemination to the general public and, where appropriate, in languages other than English. Notice of Colorado County Title VI policies and procedures are listed in many places such as the Colorado County Annex Building, Commissioners Court Meetings, and in public-facing buildings.

Notification to Beneficiaries

The Colorado County website is continuously updated to ensure Title VI information is readily accessible to the public. The website informs the public of their rights under Title VI and provides information on how to file a complaint. Title VI information available on Colorado County's website, www.co.colorado.tx.us, includes:

- Colorado County Title VI/Nondiscrimination Plan
- Title VI and Related Statutes Nondiscrimination Statement (English and Spanish)
- Title VI Nondiscrimination Assurances
- TxDOT's External Discrimination Complaint Form (English and Spanish)
- Colorado County Language Assistance Plan

Section 11: Public Involvement

It is the goal of Colorado County to provide continuous, effective and transparent access to all stakeholders. Colorado County strives to inform all stakeholders about proposed plans and projects and seeks input when appropriate. Colorado County utilizes the following methods to communicate information regarding upcoming activities and opportunities for public and stakeholder participation in the planning process.

- Media releases
- Notices published in the *Texas Register*

- Visualization Presentations/Techniques
- Local community public meetings
- Statewide Public Hearings
- Colorado County website
- Facebook

Traditionally, underserved communities can find it more difficult to engage with decision making entities due to scheduling conflicts, lack of transportation to public involvement events, language barriers, lack of childcare, etc. Genuine public involvement takes place at all levels and so Colorado County aims to identify communities that may be affected by a project in order to plan appropriately and effectively for the potentially impacted groups. Sources of data used were listed above in the Data Gathering section. Colorado County specifically uses the following sources to identify minority and populations with limited English proficiency.

- US Census Table P9 – Hispanic or Latino and Not Hispanic or Latino by Race
- ACS Table B16001 – Language Spoken at Home by Ability to Speak English for the Population 5 Years and Over

Colorado County will use the following techniques to ensure that all members of the community have the opportunity to participate in the decision-making process:

- Holding meetings at different times or on the weekend
- Providing virtual options
- Translating documents into languages other than English
- Holding events accessible by public transportation

Section 12: Language Assistance and Limited English Proficiency

Individuals with Limited English Proficiency (LEP) are those who do not speak English as their primary language and have a limited ability to read, write, speak, or understand English as a result of their national origin. Under Title VI, these individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

Per USDOT LEP guidance, as outlined on FHWA’s Civil Rights website, recipients of federal funds are required to take reasonable steps to ensure meaningful access to their programs and activities by LEP persons. While designed to be a flexible and fact-dependent standard, the starting point is an individualized assessment that balances the following four factors.

Four-Factor Analysis

Factor 1: Number or proportion of LEP persons eligible to be served or likely to be encountered by the program:

The greater the number or proportion of LEP persons served or encountered, the more likely language services are needed. For the assessment to be accurate, it must also include all communities that are

eligible for services or are likely directly affected by the district’s programs or activities, not only those that live next to a project.

Understanding the number and proportion of individuals with Limited English Proficiency (LEP) who may encounter the County’s services is central to developing an effective Language Assistance Plan. This includes identifying where LEP populations are located, what languages they speak, and whether language barriers may limit access to programs and services. The County reviewed available data to assess English proficiency levels and the prevalence of non-English languages within its service area. This analysis relies on data from the United States Census and the American Community Survey, using the most recent available estimates (2024: ACS 5-Year Estimates).

Label	Total		Percent of specified language speakers							
	Estimate	Margin of Error	Speak English less than "very well"				Percent speak English less than "very well"			
			Sp...	Per...	Estimate	Margin of Error	Estimate	Margin of Error		
Population 5 years and over	19,618	±343	18	±1	9...	±1	1,030	±343	5.3%	±1.7
Speak only English	16,035	±81	(X)	(X)	(X)	(X)	(X)	(X)	(X)	(X)
Speak a language other than English	3,583	±18	2...	±4	7...	±1	1,030	±343	28.7%	±8.8

Overview

Colorado County encompasses 960 square miles and has a population of 20,557 residents representing 5 different language groups. Of the total county population age 5 years and older (19,618), 1,030 or 5.3% of residents report speaking English less than “very well”.

Factor 2: Frequency with which LEP individuals come in contact with the program:

Consider how frequently encounters with LEP individuals may occur. Additionally, consider events or work projects in the next year, which may increase the frequency with which LEP encounters may occur. Some consideration should be given to County policies, programs, events and projects planned for the next year but generally, the nature and importance of LEP encounters should be considered on a project-by-project basis.

Moving forward, Colorado County plans to collect data on the frequency with which LEP individuals come into contact with the County’s departments and programs. The Title VI Coordinator will develop a process to collect this data from each department within the county. Departments will track and report contacts with individuals who require language assistance, and the Title VI Coordinator will review and analyze this information each year. Departments will be asked to document their use of translation and interpretation services. This data will support a better understanding of language access needs and help guide future planning efforts as the Program is updated.

Factor 3: Nature and importance of the program, activity, or service provided by the program to people’s lives:

Colorado County’s policies, programs, activities, and services will be considered when evaluating potential interactions with individuals with Limited English Proficiency (LEP). The nature and importance of these interactions may vary depending on the specific situation. The level of need for

language assistance can differ based on the scope, location, and potential impact of a project or activity on the community.

Colorado County evaluates these factors on a case-by-case basis to determine the appropriate level of language assistance. By considering the characteristics and potential community impact of each program or activity, the County can take reasonable steps to ensure LEP individuals have meaningful access to information and services in accordance with Title VI requirements.

Factor 4: Interpretation Services Available to Colorado County:

Colorado County has reviewed its available resources for providing assistance to individuals with Limited English Proficiency (LEP). Bilingual staff are available to assist with Spanish translation when needed, and tools such as Google Translate may be used for basic, introductory communication and during time-sensitive situations. For more complex or detailed information, the County will make reasonable efforts to obtain translation or interpretation services, including professional services when appropriate and within available resources. This approach will allow the County to provide meaningful access while balancing resources and associated costs.

A general four-factor analysis will help anticipate and prepare for what may be needed; however, meaningful four-factor analysis can only occur on a project-by-project basis. When preparing to publish a document, launch a campaign, hold a public meeting, etc., a focused four-factor analysis should be conducted to determine what type of language assistance is needed. For highway projects involving TxDOT, Colorado County will coordinate with TxDOT to support language assistance accommodations as appropriate.

Section 13: Training

Colorado County will ensure that its staff understand Title VI of the Civil Rights Act of 1964 and how it may apply to their work. Colorado County will provide Title VI training during new employee onboarding and on a biannual basis thereafter. A copy of the Title VI Plan will also be available on the County's website for employees to review.

- Colorado County Title VI Plan
- [Title VI at TxDOT](#), produced by TxDOT
- [Understanding and Abiding by Title VI of the Civil Rights Act of 1964](#), produced by the U.S. Department of Justice.

Colorado County will maintain records documenting employee participation in Title VI training during employee onboarding and on a biannual basis thereafter.

Colorado County (herein referred to as the “Recipient”), as a recipient of federal financial assistance and under Title VI of the Civil Rights Act of 1964 and related statutes, ensures that no person shall on the grounds of race, color, national origin, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any Colorado County programs or activities.

Statutory/Regulatory Authorities

- *Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);*
- *49 C.P.R. Part 21 (entitled Nondiscrimination in Federally Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964);*
- *28 C.P.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);*

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or otherwise subjected to discrimination under any program or activity,” for which the Recipient receives Federal financial assistance from U.S. DOT, including the Federal Highway Administration.

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Nondiscrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these

nondiscrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

Specific Assurances

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally-assisted U.S. DOT programs:

1. The Recipient agrees that each “activity”, “facility”, or “program”, as defined in §§ 21.23(b) and 21.23(e) or 49 C.P.R. § 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Act and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests for Proposals for work, or material subject to the Acts and the Regulations made in connection with all DOT programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The Recipient, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

3. The Recipient will insert the clause of Appendix A and Appendix E on this Assurance in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set for in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a) For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b) For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or

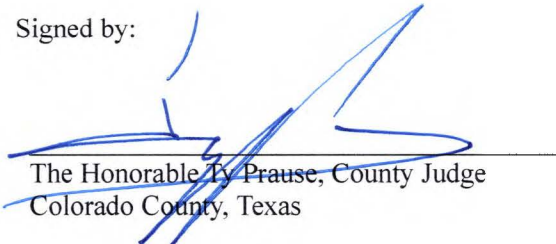

improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:

- a) The period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b) The period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the programs as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, contractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this Assurance, the Recipient also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the U.S. DOT access to records, accounts, documents, information, facilities, and staff. You also recognize that you comply with any program or compliance reviews, and/or complaint investigations conducted by the U.S. DOT. You must keep records, reports, and submit the material for review upon request to U.S. DOT, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Recipient gives this assurance in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. DOT under all Department of Transportation Programs. This assurance is binding on Texas, other recipients, sub-grantees, contractors, subcontractors and their subcontractors, transferees, successors in interest, and any other participants in all Department of Transportation programs. The person(s) signing below is/are authorized to sign this assurance on behalf of the Recipient.
