COLORADO COUNTY POLICIES AND PROCEDURES

Welcome to the family of Colorado County employees. As an employee of Colorado County, you will be eligible for various benefits, which will be outlined later in this manual.

You will also be responsible for projecting the proper image of our County Government and its various functions to the people of Colorado County. Always remember your reputation and degree of proficiency and courtesy in your particular position reflects the County's reputation and vice versa.

In many instances, you may be the only contact a Colorado County resident has with his County government. We want you to be proud to be an employee of Colorado County and we want to be proud of you as an employee.

The governing body of the County is the Commissioners' Court, which is comprised of the County Judge and four Commissioners. They normally meet every 2nd and 4th Monday of the month at 9:00 a.m. in the County Courtroom to consider policies affecting Colorado County.

Officials elected on a county-wide basis are the county judge, district judges, district attorney, county attorney, sheriff, district clerk, county clerk, tax assessor-collector, county treasurer and county surveyor. Officials elected on a Precinct level are commissioners, justices of the peace, and constables. The above officials hold four-year terms.

The following officials are appointed by the Commissioners' Court: county health officer, public defender, veteran service officer, and the county engineer.

The county auditor is appointed by the District Judges for a two-year term.

RESOLUTION OF APPROVAL AND ADOPTION

The Personnel Policies expressed in this manual are effective as of the **22nd** day of **February 2016** when the Commissioners' Court of Colorado County approved and adopted these Personnel Policies for the Colorado County officials and employees.

This new personnel policy manual supersedes any and all earlier personnel policy manuals.

Any changes or amendments to the Personnel Policies may be proposed to and adopted by the Commissioners' Court at any regular or special session of that Court. No change or amendment shall become a permanent part of these rules unless approved by Commissioners' Court.

INTRODUCTION

Personnel policies in smaller local government jurisdictions frequently evolve through tradition and custom. Often, they are not even written into formal statements. As government grows and becomes more complex, even the very small jurisdiction finds that it must have clearly stated personnel policies for effective operations.

County officials holding an elective or appointed office may have rules that are more or less stringent than these rules based on their own office policy.

Each of these policies and parts of policies are intended to stand independently. Therefore, if any policy or part of a policy becomes invalid because of federal or state law or other authority, it shall not affect the validity or application of other policies or parts of policies.

From time to time, it may become necessary to make changes in these policies as a result of changes in the County or its programs. When this occurs, all county employees shall be notified of the changes and the date the changes are to be effective.

The purpose of these policies is to serve the needs of both the employees and County to the mutual benefit of both. Any employee who has a question concerning any of Colorado County's personnel policies is encouraged to discuss it with the employee's supervisor.

Your department head may have their own department's policies and procedures in addition to these general personnel policies.

AT-WILL EMPLOYMENT

1. Colorado County is an employment at-will employer. No contract, either expressed or implied shall exist between the County and any employee for any duration either specified or unspecified. The County also retains the right to terminate any employee at any time, with or without notice, for any legal reason or no reason. The County also retains the right to change any condition, benefit, policy, or privilege of employment at any time, with or without notice. The employee also has the right to sever the relationship at any time, with or without notice.

APPLICABILITY OF PERSONNEL POLICIES

1. These personnel policies shall apply consistently and uniformly to all county employees.
2. Any employee, who knowingly and intentionally violates any personnel policy of Colorado County, shall be subject to disciplinary measures.

IMPLEMENTATION AND ADMINISTRATION

1. Each elected/appointed official of Colorado County shall be responsible for the administration and implementation of these personnel policies in all departments for which they have administrative, managerial, or supervisory responsibility.

HOURS OF WORK, WORKDAY, WORKWEEK, AND WORK PERIOD

1. The normal workday (excluding law enforcement, EMS, and road & bridge) will consist of eight hours of work from 8 a.m. to 5 p.m. with an unpaid meal period lasting one (1) hour. Rest or coffee breaks are considered time worked and run from 5 minutes to about 20 minutes. The schedule of hours for employees will be determined by the department head.
2. The normal days of work (excluding law enforcement) shall be Monday through Friday except for official holidays.
3. In order to meet the needs of the County, certain departments or employees may be required to work a schedule that varies from the normal work schedule of the County, or they may be subject to call in case of an emergency or special need.
4. The need for schedules that vary from the normal schedule shall be determined by each department head.
5. For purposes of record keeping and compliance with the Fair Labor Standards Act (FLSA), a workweek for Colorado County shall be defined as the period beginning at midnight each Friday and ending 7 consecutive days (168 hours) later except EMS which will begin at 7 a.m. each Saturday and end 7 consecutive days.
6. Colorado County Commissioners Court has adopted the 207(k) exemption under the Fair Labor Standards Act for law enforcement employees, which includes deputies and jailers. These employees have a work period of 28 consecutive days and overtime will be due after 171 hours actually worked. Law enforcement employees' salary covers all hours up to 171 hours. Paid leave shall not be counted in determining if overtime has been worked in any workweek.
7. Law enforcement employees will be paid his or her full salary if the employee reports at least 160 hours during a work period.
8. Any employee who works less than 40 hours in a 7-day workweek or 160 hours in a 28-day work period, shall record on their time record where to deduct the hours that are short of 40 or 160. The hours used can be sick leave, vacation, funeral leave, or compensatory time or the employee may elect to have their pay deducted by the hours short of 40 or 160.
9. If the employee has used all of their applicable sick leave, vacation, or compensatory time, then the employee's pay must be deducted for all hours short of 40 for the workweek or 160 for the work period.

PAID BREAKS POLICY

1. The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk following the birth of a child.
2. Colorado County will provide two paid 20-minute breaks daily for nursing mothers. The nursing mothers will be allowed whatever time is needed to express milk, however, if the break is longer than 20 minutes in duration, the break time may qualify for FMLA.
3. The mother will be given a private location, other than a bathroom. The location will be shielded from view and free from intrusion and appropriate for expressing breast milk. The specific location will be determined on a case-by-case basis.
4. Colorado County does not allow any retaliation against nursing mothers for asking for this break.
5. All other employee breaks are considered time worked and run from 5 minutes to 20 minutes as determined by each department head and are not required to be given.
6. If your department provides you with a break, they may not be accumulated or used for time off.

PAY PERIODS

1. The pay period for Colorado County shall be the 1st to the 15th paid on the 15th and the 16th to the 30th/31st paid on the 30th.
2. All employment documents, separation papers, change orders, and time reports must be received by the County Auditor five days before the scheduled payroll date in order for the department's employees to receive a paycheck.
3. For hourly employees, hours worked from the 1st to the 15th will be paid on the 30th and hours worked from the 16th to the 30th/31st will be paid on the 15th of the following month.
4. Payroll checks shall be issued on the 15th and 30th day of each month or the proceeding workday should the 15th or 30th fall on a weekend or holiday.
5. Salary advances shall not be made to any employee for any reason.

OVERTIME PAY AND COMPENSATORY TIME

1. Each department head will determine the number of hours the employee will work for the compensation the employee is to receive.
2. Exempt employees generally fall into three major categories: executive, administrative, and professional. These exemptions are based on specific job descriptions and duties of the employee. An exempt employee will not receive overtime compensation except when a state of emergency has been declared. Occasionally, if working abnormally long hours when approved by their supervisor, compensatory time-off may be granted.
3. Compensatory time shall be granted to salaried non-exempt employees (those not exempt from the provisions of the Fair Labor Standards Act) by the department head for overtime hours worked at a rate of 1 1/2 hours compensatory time for each hour of overtime worked after 40 hours in a seven-day workweek except for EMS who will receive overtime compensation in lieu of compensatory time. A non-exempt employee will receive overtime compensation in lieu of compensatory time when a state of emergency has been declared.
4. Each workweek stands alone, and overtime must be calculated on a weekly basis except for the sheriff's deputies and jailers who are treated in accordance with the 207(k) exemption under the FLSA. Overtime will be due after 171 hours actually worked.
5. Paid leave shall not be counted in determining if overtime has been worked in any workweek. Except in emergency situations, an employee shall receive paid compensatory time off at a rate of one and one-half (1 1/2) times the amount of overtime worked.
6. Each supervisor or their designee shall be responsible for recording any overtime earned or compensatory time taken within a pay period on the time record for that pay period. Except in emergency situations, an employee shall be required to have authorization from their supervisor before working overtime.
7. The maximum amount of unused compensatory time an employee shall be allowed to have at any one time is 240 hours. When an employee has reached the maximum accrual of compensatory time, any additional overtime worked shall be compensated at a rate of one and one-half (1 1/2) the employees' regular rate of pay until compensatory time has been used to bring the balance below the maximum.

8. Employees shall be allowed to use earned compensatory time within a reasonable period after it is requested provided that the employee's absence will not place an undue hardship on the operations of the department in which the employee works. Compensatory time may be used for any purpose desired by the employee with supervisor approval. Colorado County shall have the right to require employees to use earned compensatory time at the convenience of the county.
9. If an employee terminates employment, for any reason, prior to using all earned FLSA compensatory time, they shall be paid for all unused compensatory time in accordance with the requirements of the FLSA.
10. Colorado County shall retain the right to "buy back" all or part of an employee's unused compensatory time by paying the employee for that time at the employee's current regular rate. Colorado County shall retain the right to pay all, or part of the overtime worked in any workweek by paying for that overtime at one and one-half (1 ½) the employee's regular rate of pay.
11. Each employee shall be responsible for recording any compensatory time used within a pay period on the time sheet for that pay period.

FAIR LABOR STANDARDS ACT SAFE HARBOR

1. Colorado County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes happen and are called to the County Auditor's attention, Colorado County will promptly make any corrections necessary. Please review your pay stub when you receive it to make sure it is correct. If you believe a mistake has occurred or if you have any questions, please contact the County Auditor's Office. If you are overpaid, the County will make the necessary corrections at the next payroll.
2. Employees who are classified as non-exempt employees must maintain an accurate record of the total hours you work each day. It is the responsibility of each employee to verify that their time sheets are correct. Your time sheet must accurately reflect all regular and overtime hours worked; any absences, late arrivals, early departures, and meal breaks. Do not sign your time sheet if it is not accurate. When you receive each paycheck, please verify immediately that you were paid correctly for all regular and overtime hours worked each work week.
3. Non-exempt employees, unless authorized by your supervisor, should not work any hours that are not authorized. Do not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless you are authorized to do so. That time worked is to be recorded on your time sheet. Employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work you may perform but fail to report on your time sheet. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination.
4. It is a violation of Colorado County policy for any employee to falsify a time sheet, or to alter another employee's time sheet. It is also a serious violation of County policy for any employee, supervisor or official to instruct another employee to incorrectly or falsely report hours worked, or to alter another employee's time sheet to under- or over-report hours worked. If anyone instructs you to (1) incorrectly or falsely under- or over-report your hours worked, or (2) alter another employee's time records to inaccurately or falsely report that employee's hours worked, you should report it immediately to the County Auditor's Office at (979) 732-2791.
5. If you are classified as an exempt salaried employee, you will receive a salary which is intended to compensate you for all hours worked for the County. This salary will be established at the time of hire or when you become classified as an exempt employee.

PAY REDUCTIONS

1. A non-exempt employee's pay may be reduced for disciplinary reasons or demotion.
2. The supervisor shall determine the amount of pay reduction when such a reduction is necessary for disciplinary reasons.
3. If an employee's salary is reduced because of demotion, the salary shall be reduced to the level of an employee in the same or similar job who has equal experience.
4. An employee's pay shall be reduced due to no accrued time (sick, vacation, or compensatory time) remaining.

PERSONNEL FILES

1. It is important that the personnel records of Colorado County be accurate at all times. In order to avoid issues, compromising your benefit eligibility or having W2's returned, Colorado County requests employees to promptly notify the County Auditor's Office of any change in name, home address, telephone number, marital status, number of dependents, or of any other pertinent information.
2. The Public Information Act allows county employees to keep their home address and telephone numbers confidential. You may keep this information private by requesting in writing not to allow this information to be released to the public no later than 14 days after your first day of employment.

TERMINATION PAY

1. If an employee leaves the employment of the County, their final paycheck shall include:
 - a) pay for all hours worked but for which payment has not been received;

2. 3. Colorado County will comply with The Genetic Information of 2008 (GINA). Colorado County will not discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests an individual's family members, as well as information about any disease, disorder, or condition of an individual's family member (i.e., an individual's family medical history). The county will comply with the law provisions which protects applicants and employees from discrimination based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. The county will comply with GINA's provisions which also restricts the county's acquisition of genetic information and strictly limits disclosure of genetic information. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of diseases or disorders in family members (family medical history); and requests for or receipt of genetic services by applicants, employees, or their family members.
4. Colorado County will not retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

All elected officials, appointed officials, department heads and employees with responsibilities requiring knowledge are instructed to treat the employee's disability with confidentiality.

In accordance with the Americans with Disabilities Act, as amended (ADAAA), reasonable accommodations may be provided to qualified individuals with disabilities when such accommodations are necessary to enable them to perform the essential functions of their jobs, or to enjoy the equal benefits and privileges of employment. 1. Use is defined as “excessive” if it interferes with normal job functions, responsiveness, or the ability to perform daily job activities. Electronic communication should not be used to solicit or sell products or services that are unrelated to the County’s business; distract, intimidate, or harass coworkers or third parties; or disrupt the workplace.
2. Use of Colorado County computers, networks, and internet access is a privilege granted by department heads and may be revoked at any time for inappropriate conduct carried out on such systems. Improper use may result in discipline up to and including termination.
3. Colorado County owns the rights to all data and files in any computer, network, or other information system used in the County. Colorado County also reserves the right to monitor electronic mail messages (including personal/private/instant messaging systems, Facebook, twitter, etc.) and their content, as well as any and all use of the internet and of computer equipment used to create, view, or access e-mail and internet content. Employees must be aware that the electronic mail messages sent and received using county equipment are not private and are subject to viewing, downloading, inspection, release, and archiving by county officials at all times. Colorado County has the right to inspect any and all files stored in private areas of the network or on individual computers or storage media in order to assure compliance with policy and state and federal laws. No employee may access another employee’s computer, computer files, or electronic mail messages without prior authorization from either the employee or an appropriate county official. No employee shall break any copy right laws, download any illegal or unauthorized downloads. Colorado County monitors its entire informational systems and employees may be subject to discipline up to and including termination for any misuse of county informational systems.
4. Employees should not bring personal computers to the workplace or connect them to Colorado County electronic systems, unless expressly permitted to do so by their supervisor and/or IT department. Violation of this policy may result in disciplinary action, up to and including termination of employment.

5. E-mail is subject to the same laws, policies and restrictions as other types of communication. The confidentiality of e-mail communications cannot be guaranteed. In accordance with the Open Records Act, electronic files may be treated in the same way as paper files. Therefore, any electronic mail may be considered to be a public document and may be subject to inspection.

6. E-mail is subject to the same records retention provisions as paper documents. Therefore, the same retention schedules apply. All County employees are responsible for retaining pertinent e-mail messages under the same retention schedules as they use for similar paper documents.

SOCIAL MEDIA

1. For purposes of this policy “social media” includes, but is not limited to, online forums, blogs, and social networking sites, such as Twitter, Facebook, LinkedIn, YouTube, and Myspace.
2. The County recognizes the importance of social media for its employees. However, use of social media by employees may become a problem if: 1) it interferes with the employee’s work; 2) is used to harass supervisors, co-workers, customers or vendors; 3) creates a hostile work environment; or 4) harms the goodwill and reputation of Colorado County among the community at large. Colorado County encourages employees to use social media within the parameters of the following guidelines and in a way that does not produce the adverse consequences mentioned above.
3. Where no policy or guideline exists, employees are expected to use their best judgement and take the most prudent action possible. If you are uncertain about the appropriateness of a social media posting, then please do not post.
 - If your posts on social media mention Colorado County make clear that you are an employee of Colorado County and that the views posted are yours along and do not represent the views of Colorado County.
 - Do not mention Colorado County supervisors, employees, customers or vendors without their express consent.
 - Do not pick fights. If you see a misrepresentation about Colorado County, respond respectfully with factual information, not inflammatory comments.
 - Remember, you are responsible for what you write or present on social media. You can be sued by other employees, supervisors, customers or vendors, and any individual that views your social media posts as defamatory, pornographic, proprietary, harassing, libelous or creating a hostile work environment. Employees can be subject to disciplinary action, up to and including termination for what they post on social media platforms, even if the employee did not use a county computer or if the post did not occur during work hours or on county property.

- Any confidential information that you obtained through your position at Colorado County must be kept confidential and should not be discussed through in social media forum.
- Violation of this policy may lead to discipline up to and including the immediate termination of employment.

TELEPHONE/CELL PHONE POLICY

1. Each department in the County will be provided telephones for use for business related to the operations of county offices and departments.
2. County telephones will **not** be used for personal long-distance telephone calls and personal local telephone calls will be held to a minimum. A call to notify family of County requirements to work unscheduled overtime is a County business call. Should it become necessary for departments to make long distance calls for the general public for official county business such as a fax, service charges will be requested, and the general public shall pay for such service. Revenue received for this purpose shall be receipted and submitted to the County Treasurer along with other fees of office.
3. While at work, employees are expected to exercise the same discretion in using personal cellphones as is expected for the use of County telephones. Excessive personal calls during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are encouraged to make any personal calls on non-work time when possible and to ensure that friends and family members are aware of Colorado County's policy.
4. Colorado County will not be liable for the loss of personal cellphones brought into the workplace.
5. When job needs demand immediate access to an employee, the County may issue a business cellphone to an employee for work-related communications.
6. Employees whose job responsibilities include regular or occasional driving and who are issued a County cellphone for business use are expected to refrain from using their cellphone while driving.
7. Employees in possession of County equipment such as cellphones are expected to protect the equipment from loss, damage, or theft. Upon resignation or termination of employment, or at any time on request, the employee may be asked to produce the cellphone for return or inspection.
8. It shall be the responsibility of each official and department head to see to the strict enforcement of this policy.

TRAVEL REIMBURSEMENT POLICY

County employees, officials, or department heads, traveling on official County business, will be reimbursed for such travel upon submitting the appropriate substantiation and a completed Travel Expense Report to the County Auditor. All travel requests, whether in advance or as a reimbursement, must be approved by the department head or official before submitting to the County Auditor. Any amounts paid to the employee in excess of substantiated expenses must be returned to the County. To the extent that departmental budgets provide funding, the following guidelines will be applied.

1. Conference and seminar registration should be requested in advance to allow the County to pay the fee directly to the sponsor of the seminar/conference. If this is not possible, a copy of the registration and original receipt showing the employee's payment must be submitted with a request for reimbursement.
2. The County will reimburse for the use of a personal automobile for travel within or out of the county on official county business at a per mile rate to be determined by Commissioners' Court each year.
3. The County will reimburse for actual expenses of travel by the lowest possible rates. The passenger's copy of the original ticket must be submitted with the Travel Expense Report. Tickets can be paid for in advance from a travel agency invoice. Rental cars will be reimbursed at the best rate for a mid-sized vehicle.
4. No expenses for rental cars, taxis or valet parking will be reimbursed unless associated with a trip by air, bus, or train. Airport parking will be paid along with mileage incurred driving to/from an airport.
5. The County will reimburse for travel to/from a hotel and to/from the conference, seminar, or meeting.
6. Out-of-state travel requires the approval of Commissioners' Court.
7. Payment for lodging may be requested in advance. Employees must attach adequate information, including number of nights and room rate with applicable taxes, and submit the request timely to allow for processing through accounts payable. If lodging was paid in advance, a completed Travel Expense Report with a copy of the itemized hotel receipt is required when the employee returns. Any amounts paid to the employee in excess of the actual substantiated expenses must be returned to the County within a reasonable period of time.

8. The maximum reimbursement for hotel accommodations shall not exceed the host hotel's room rate per night plus applicable taxes. Verification of host hotel's room rate is required if not staying at host hotel. An itemized hotel receipt is required for reimbursement. (NOTE: When making reservations for travel to conferences, seminars, and meetings, always request the Government Rate when available.)
9. If the conference, seminar, or meeting is less than (70) miles away, no hotel will be approved for the night before. If the employee spends the night after the conference has concluded it will be at the employee's own expense.
10. Personal telephone calls will not be reimbursed, but reasonable documented call to home or office will be approved. Costs of personal entertainment, amusements, spouse's expenses, alcoholic beverages, and laundry service are not eligible for reimbursement.
11. County employees who are required to be away from home overnight may receive a per diem allowance for meals of \$5 for breakfast, \$10 for lunch and \$15 for dinner. Tips shall be included as part of the approved allowance. No meal receipts will be required for these meals. A copy of a program/agenda must be submitted with the completed Travel Expense Report.
12. An employee who is not away from home overnight may be reimbursed a meal directly preceding, during or following a business meeting, conference, or seminar which the employee attends. Receipts for these meals will be required for the employee to be reimbursed. Reimbursement for these meals shall not exceed \$5 for breakfast, \$10 for lunch, and \$15 for dinner. Reimbursement for more than one meal for an employee when attending a seminar/conference will be at the discretion of the Commissioners' Court.
13. If funds are available from any other source for reimbursement of travel expenses, the County will reimburse the difference between the other source's rates and the County's rates. A copy of other source's travel expense report is required. Request should not be made of the County for reimbursement of the same expense that has been or will be reimbursed from any other source.
14. It shall be the responsibility of each Official and Department Head to see to the strict enforcement of this policy. By signing the Travel Expense Report, the Official or Department Head is certifying that the travel for which reimbursement is being sought was properly authorized and that the request and accompanying receipts have been examined and are reasonable.

The prescribed fees a notary public may charge should be posted in a conspicuous place for people desiring Notary services.
3. All notaries, upon expiration of their commission, are required by law to file their record book with the County Clerk for recording.
4. No one department shall be entitled to more than one county-paid Notary, unless it is determined by Commissioners' Court that more than one Notary is needed to conduct the official business of the County.
5. It shall be the responsibility of each official and department head to see to the strict enforcement of this policy and remember that a Texas Notary **CANNOT** be employed as a notary. A commissioned Notary is an individual officer of the State of Texas.

CONFLICT OF INTEREST

1. An employee of Colorado County shall not engage in any employment, relationship, or activity which could be viewed as a conflict of interest because of the potential or appearance of affecting the employee's job efficiency or which would reduce the employee's ability to make objective decisions in regard to the employee's work and responsibility as a County employee.

EMPLOYEE SAFETY

1. It is the policy of Colorado County to comply with all applicable federal, state and local health and safety regulations and to provide a work environment as free as feasible from recognized hazards. Employees are expected to comply with all safety and health requirements whether established by Colorado County or by federal or state law. Safety procedure may differ at each county department. Your supervisor will provide you with specific information pertaining to your position.
2. Safety rules are the product of experience. With few exceptions, every safety rule or procedure is the result of accidents or near accidents. Safety rules alone, however, cannot prevent accidents. The indispensable ingredients of a safe working environment are a concerned management, knowledgeable supervisory personnel and a conscientious work force, all dedicated to the principle that accident prevention is an integral part of the planning and execution of any job.
3. With the safety and wellbeing of the County employee in mind, the following safety rules have been formulated and will be observed by County employees:

 - e) Employees should always receive proper first aid treatment for all minor injuries immediately. Any employee receiving injuries requiring the services of a doctor must notify their supervisor as soon as possible so the supervisor can fill out the appropriate reporting forms for workers' comp.;
 - f) Any employee involved in an accident while driving or riding in a County vehicle or equipment must report the accident to their supervisor in accordance with the provisions of the **POLICY ON RESPONSIBILITY FOR COUNTY PROPERTY**.

4. In the interest of maintaining a safe workplace and highways that are free of drug and alcohol (intoxicant) abuse, Colorado County is committed to strictly enforcing its policies relative to the use of drugs and alcohol. Said policies comply with the requirements of the Drug Free Workplace Act of 1988 and the Department of Transportation (D.O.T.) Regulations 49 CFR Part 382, and 49 CFR Part 40. Failure to follow the safety standards set by the County or your supervisor subjects an employee to disciplinary action, up to and including termination. Employees seeing unsafe working conditions shall either take steps to correct those conditions or report the unsafe conditions to their supervisor.
5. Failure to follow the safety standards set by the County or your supervisor subjects an employee to disciplinary action, up to and including termination.
6. Employees seeing unsafe working conditions shall either take steps to correct those conditions or report the unsafe condition to their supervisor.

NON-SMOKING POLICY

1. Smoking including secondhand smoke has been proven to be detrimental to good health. In the interest of promoting good health, protecting non-smokers from secondhand smoke, and managing Colorado County's health plan costs, the Commissioners' Court bans smoking within any county building.
2. Employees, elected officials, vendors and the public are to refrain from smoking inside all county buildings. No smoking signs will be posted at all entrances to county buildings.
3. Employees who violate this policy may be disciplined up to and including discharge.

3. It shall be the responsibility of each official or department head to see to the strict enforcement of this policy.
4. Employees who violate this policy may be disciplined up to and including termination.

LAYOFF

1. While such action is avoided whenever possible, employees of Colorado County may be laid off where a department head deems it necessary because of shortages of funds or work, the abolition of a job or jobs, the resignation of an official, other material changes in the organization or for other reasons which are beyond the control of the employees.
2. A layoff shall not reflect discredit on an employee or on their ability to do the job in which they were employed.
3. If layoffs are required, they shall be based first on demonstrated job performance and efficiency and, secondly, on length of service.
4. Employees who have been laid off shall be given preferential consideration for future job openings in the department where the layoff occurred for a period of 12 months from the date of the layoff.
5. Every effort will be made by the supervisor to notify employees at least ten (10) working days in advance when layoffs become necessary.

DEPARTMENTAL TRANSFERS

1. Employees may apply for a departmental transfer from one county department to another when a position becomes available. A departmental transfer takes place to allow an employee to experience other duties and responsibilities after working at the same job or in the same department for a considerable time or it may be the result of personality conflict or other reasons.
2. Transfers between departments do not alter benefits or service anniversary date.
3. The date for the actual transfer to become official is to be worked out to the agreement between both officials involved.

PERFORMANCE EVALUATIONS

1. The Colorado County Performance Evaluation System is designed to help management evaluate performance in an objective, consistent, and uniform manner.
2. The evaluations are designed to communicate to the employee how their performance compares with expected output and to aid the employee's supervisor in discussing job performance with the employee.
3. Subjective factors, such as personal habits and outside activities, will not be considered.
4. Employees will have the right to express disagreement with any points made, correct any inaccuracies, and make written comments concerning all aspects of the appraisal.
5. All County employees, except for elected officials, will be evaluated on an annual basis.
6. Depending on the financial status of the County, merit increases may be granted based upon performance evaluations and guidelines set by the Court.
7. The Court will not be involved in giving individual raises, only setting the amount allocated for merit raises and general guidelines.
8. In order for employees to receive a merit raise each department head/elected official must complete a performance evaluation for their employees.
9. Since merit raises are contingent upon the availability of funds allocated by the Commissioners' Court, a completed performance evaluation does not guarantee an employee a merit raise.
10. Performance evaluations will be used as documentary evidence for personnel actions, including dismissal. Employees who consistently receive low ratings will not be eligible for merit increases.
11. The employee performance evaluation process is designed to accomplish the following objectives:
 - To clarify job duties, responsibilities, and job standards;
 - To correct performance problems prior to suspension, demotion, or dismissal;
 - To assess readiness for transfer or promotion;
 - To link employee performance with compensation;
 - To provide better performance communication between supervisors and employees;

- To document performance areas in which employees do well and those areas which require improvement;
 - To motivate employees to succeed; and
 - To document performance so that the County creates a written record, and thus obtains legal protection.
12. Each supervisor is responsible to set and communicate clear performance standards, goals, and objectives for employees at the beginning of their employment and throughout their review period(s). This will provide the employee with the opportunity to correct any performance issues, prior to any written evaluations.
 13. An interview must be held after each annual evaluation. As frequently as seems necessary to the supervisor, an employee counseling interview may be conducted between the supervisor and the employee. The interview is an effort to encourage the supervisors to communicate their reactions to the employee's behavior and performance and to offer positive assistance in correcting any deficiency. This informal conference requires no communication with the County Commissioners' Court; however, documentation to the employee's personnel file is required.
 14. A copy of the completed evaluation form and any attachments should be given to the employee during the evaluation interview.
 15. Completed evaluations and attachments will remain within each department's employee files.
 16. Annual Performance Evaluations may be sent to the County Auditor's office and become a permanent record in the employee's official personnel file.
 17. A payroll change notice signed by the Elected/Appointed Official will indicate that the performance evaluation was conducted. The notice must be on file with the County Auditor's office prior to January 10th of each year for the merit raise to take effect.
 18. A supply of Employee Performance Evaluation and Payroll Change Notice forms are available in the County Auditor's office.

2. Harassment is strictly prohibited by Colorado County whether committed by an elected official, appointed official, department head, co-worker, or non-employee with whom the county does business.
3. Employees who feel they have been harassed should immediately report the situation to the elected official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge or County Attorney.
7. Remedial action will be taken in accordance with the circumstances when the county determines unlawful harassment or retaliation has occurred, up to and including termination.
8. Reporting or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to harassment charges.

SEXUAL HARASSMENT

1. Sexual harassment is strictly prohibited by Colorado County, whether committed by elected official, appointed official, department head, co-worker or non-employee the county does business with. It is the policy of Colorado County to provide a workplace free from sexual harassment for all employees and to take active steps to eliminate any sexual harassment of which the Colorado County becomes aware.
2. Employees engaging in sexual harassment shall be subject to discipline, up to and including termination of employment. Sexual harassment shall include, but not be limited to, unwanted sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of sexual nature, which includes slurs, jokes, statements, gestures, touching, pictures, emails or cartoons where: (1) the submission to such conduct is either an expressed or implied condition of employment; (2) the submission to or rejection of such conduct is used as a basis for an employment decision affecting the harassed person; or (3) the conduct has the purpose or effect of substantially interfering with an affected person's work performance or creating an intimidating, hostile, or offensive work environment.
3. All claims of sexual harassment shall be taken seriously and investigated promptly and thoroughly. While all claims of sexual harassment shall be handled with discretion, there can be no complete assurance of full confidentiality.
4. Employees who feel they have been sexually harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

 - a. When practical, confront the harasser and ask them to stop the unwanted behavior.
 - b. Record the time, place and the specifics of each incident, including any witnesses.
 - c. Report continuing sexual harassment to the Elected Official or Appointed official who is responsible for your department or to the County Judge or the County Attorney.

10. Reporting or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to sexual harassment charges.

SEPARATION OF EMPLOYMENT

1. A separation shall be any situation in which an employer-employee relationship between the county and the county employee ends. All separations from Colorado County shall be designated as one of the following types.
2. A **resignation or quit** shall be classified as any situation in which an employee voluntary ends their employment with Colorado County with or without notice. The employee may provide written notification of resignation to their immediate supervisor, indicating the last day of employment. A supervisor shall be responsible for notifying the County Judge and County Auditor as soon as an employee announces their intent to resign.
3. A **discharge** shall be a separation in which the employee is involuntarily terminated from employment with Colorado County. The employee's date of notification of discharge is normally considered their last day worked. Colorado County is an at-will employer, and a supervisor may dismiss.
4. An employee shall be considered separated because of **reduction in force** when their position is eliminated or when there is lack of funds or work. This is also referred to as a layoff.
5. If an employee dies while in the service of Colorado County, their designated beneficiary or estate shall receive all earned pay and payable benefits.
6. Termination procedures are only guidelines and do not constitute a legal contract between Colorado County and its employees. In addition, specified grounds for termination are not all-inclusive since Colorado County maintains the right to terminate employment for any legal reason or no reason at all.

EMPLOYEE ATTENDANCE AND PUNCTUALITY

1. Each employee shall report for work punctually as scheduled and work all scheduled hours unless prior approval is given by the employee's supervisor. Excessive tardiness and poor attendance disrupt workflow and customer service and will not be tolerated.
2. Supervisors are to notify employees of their starting, ending and break times. Employees are expected to be engaged in carrying out their duties during scheduled work time. Employees shall remain on the job until normal quitting time established by the supervisor unless permission to leave early is given by the supervisor.
3. Each supervisor is responsible for determining if an unscheduled absence or tardiness is to be classified as excused or unexcused, based on the circumstances causing the absence or tardiness. Unauthorized or excessive absences or tardiness will result in disciplinary action, up to and including termination.

Important Notice to Employees and Dependents of Continuation Option

(If you are married, both you and your spouse should take time to read this notice carefully)

The Consolidated Omnibus Budget Reconciliation Act (COBRA) passed by the 99th Congress provides that when Participants (Employees and Dependents) lose their eligibility for group health coverage because of any of the events listed below, they may elect to continue group health coverage. The continued coverage can remain in effect for a maximum period of either 18, 29 or 36 months depending on the reason that eligibility terminated.

Events qualifying for 18-month continuation are loss of eligibility as a result of:

1. Reduction of Employee work hours; or
2. Employee retirement or termination (voluntary or involuntary), except for discharge for gross misconduct.

Note: The 18 months can be extended to up to 29 months when any Participant is determined by the Social Security Administration to be disabled at any time during the first 60 days of COBRA coverage and notice of such determination is provided both within 60 days of the determination and prior to termination of continuation coverage.

Events qualifying for 36-month continuation for Dependents are loss of eligibility as a result of:

1. Death of the Employee;
2. Divorce or legal separation of the Employee;
3. Medicare eligible Employee (Employee becomes eligible for Medicare, leaving Dependents without group health coverage); or
4. Children who lose coverage due eligibility provisions (for example: limiting age, marriage).

Who is eligible for the continuation option?

Participants (Employees and Dependents) who are covered by the group health plan at the time of the qualifying event are qualified beneficiaries and are eligible to continue coverage. Each may make an independent election. A child born or adopted by the Employee during COBRA continuation is eligible to be a qualified beneficiary upon timely application.

How do the Participants apply?

1. If a qualifying event is either: (a) the divorce of an Employee; or (b) a child becoming ineligible, Participants must notify the Employer in writing. Then, the Employer will give written notice to the Participants of the continuation option. If the qualifying event is the Employee's death, Medicare eligibility, or termination of employment (or reduction of hours), the Employer will give written notice to the Participants of the continuation option.
2. The eligible Participants have 60 days to give written notice to the Employer of their desire to continue coverage. The election must specify names of covered individuals and the reason for and date of the qualifying event.
3. A Participant's coverage shall terminate upon the occurrence of any of the following:
 - a) The maximum time period expires;
 - b) A continued Participant obtains coverage after the date of election under any other group health plan (as an Employee or otherwise) which does not contain an applicable exclusion for any Preexisting Condition of the Participant;
 - c) A continued Participant becomes covered by a Medicare benefit after the date of election;
 - d) The Employer no longer provides group health coverage for Employees; or
 - e) The required payment to continue coverage is not made on a timely basis.

A continued Participant's coverage may also be terminated for fraud or intentional misrepresentation of material fact to the same extent the coverage for a similarly situated non-continued Participant could be terminated.

RETIREMENT BENEFITS

1. Colorado County shall participate in the Texas County and District Retirement System. The employee's contribution to this system is 7% of gross salary, which is deducted from the employee's paycheck and is currently matched with County funds at a ratio of 2.0:1.
2. All part time and full-time regular employees shall be eligible to participate in TCDRS.
3. Deductions begin with the employee's first paycheck.
4. The employee shall not be entitled to the County's portion contributed to the System on their behalf, should the employee withdraw from the System. (Employer contributions can never be paid in lump sum and lump sum withdrawals forfeit all claims on employer contributions.)
5. The employee shall be eligible to receive lifetime monthly pension payments following the termination of their employment if:
 - a) the employee attains the age of sixty (60), and shall have accumulated eight (8) or more years of credited service with TCDRS;
 - b) the employee accumulates eight (8) years or more of credited service with TCDRS and receives a disability retirement annuity if the member is certified as disabled in accordance with Section 844.303 (b) (2) of the TCDRS Act;
 - c) the employee accumulates twenty (20) or more years of credited service with TCDRS (at any age); or
 - d) the employee's combined age and total years of service (each rounded down to whole years) is 75 or more (Rule of 75).

RETIREE REHIRES

1. Retired employees shall be eligible to apply for open positions with Colorado County as long as the following provisions are met: 1) The retiree has been retired for at least a full calendar month, 2) No prior arrangement or agreement was made between Colorado County and the retiree for re-employment, and 3) strict adherence to normal leaving employment procedures were followed at the at time of the employee's retirement.
2. The retiree must have a bona fide separation of employment and have been retired for a minimum of one calendar month. A bona fide separation means there is no prior agreement or understanding between Colorado County and the retiree that the retiree would be rehired after retirement. According to Rule 107.4 adopted by the TCDRS Board of Trustees, restrictions apply to elected officials, people employed for the same or different position in the same or different department, employee status changes, and independent contractors.
3. Newly elected officials who have recently retired from the county cannot draw their retirement because they have an arrangement to return to work for the county. Employees also cannot retire with an agreement to go work in a different department or different position. Changing employee status does not matter when determining if someone is still working for the county. Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.
4. Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401 (a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees.
5. Any retiree who meets all other TCDRS requirements, who is rehired consistent with this policy, must establish a new membership with TCDRS and will be considered to be a new member for the purposes of beneficiary determination and benefit selections

SOCIAL SECURITY AND MEDICARE

3. If an employee (other than law enforcement personnel) is unable to work for less than seven (7) calendar days due to a job-related injury or illness, the time lost shall be shown as sick leave.
4. An employee who suffers an on-the-job injury, no matter how slight, or job-related illness **must** notify their supervisor immediately and fill out the appropriate forms.
5. Failure to report job related injuries or illnesses in a timely manner may affect an employee's eligibility to receive workers' compensation benefits or may delay benefit payments.
6. An employee is offered the opportunity to return to their prior position if the attending physician certifies that the employee can perform the essential functions of the job.

This coverage will continue as long as you are covered under the FMLA entitlement period of up to twelve (12) weeks. Except deputies and jailers.
10. Employees on workers compensation leave beyond 90 days will be eligible to continue coverage in the county's group insurance plan at their own cost through their rights under COBRA. Except deputies and jailers.

11. Your workers compensation leave is being designated as leave to which you are entitled under the Family Medical Leave Act of 1993. This means that your job will be held open for your return for a period of at least 12 workweeks as required by law, as long as your physician certifies that you are unable to perform the essential functions of your job and you follow your doctor's recommendations. Retention of your job after that period of time will depend on the specific needs of your department and your expected period of recovery, in accordance with the County policy.
12. Deputies or jailers who sustain injuries while on the job will receive their full salary (off set against any workers' compensation wages) until the end of the Sheriff's current term of office under which the injury occurred. Their leave of absence expires with the last day of office of the sheriff current term, and they will be terminated effective 12:00 midnight December 31st, provided they have exceeded the maximum 12 weeks.
13. Any employees who are not yet able to return to their former duties may be offered a temporary light-duty assignment that has been approved by the employee's attending physician. The assignment can consist of the employee's regular job with reduced working hours and/or activities, or an alternate light-duty position. However, the County does not guarantee the availability of light-duty work and the offer of light-duty work is subject to the approval of the department head.
14. Light-duty assignments are **temporary** arrangements intended to complement and facilitate the healing process. Light-duty assignments cannot exceed 12 weeks without approval from the department's elected official.

6. If an employee's job requires them to work on an official County observed holiday, the employee shall accrue holiday hours equivalent to actual hours worked on the County observed holiday.
7. If an official County holiday occurs on an employee's regular scheduled day off or day requested off, the employee shall not be given another day off with pay.
8. Holiday time will be used for the purpose of computing Regular compensatory time for any hours over (40) or (171).
9. Special consideration shall be given to employees requesting time off for religious or other special observances which are not designated as paid holidays for Colorado County. Each supervisor is responsible for granting this leave based on the needs of their individual departments. Vacation, compensatory time, or leave without pay may be used for special leave granted.
10. All shift work law enforcement deputies, dispatcher, and jailers shall receive eight (8) hours compensation for each County observed holiday. Compensation will be made during the month the County observed holiday occurs.
11. All full-time EMS personnel shall receive eight (8) hours compensation for each County observed holiday. Compensation will be made during the month the County observed holiday occurs.

These forms are available from the Pool Administrator. The *Certificate of Illness/Injury* must be completed by both the employee and a physician or other licensed medical practitioner.

FRAUD PREVENTION AND DETECTION POLICY

INTRODUCTION

Colorado County is committed to the deterrence, detection and correction of misconduct and dishonesty to prevent fraud. Like all organizations, Colorado County is faced with risks from wrongdoing, misconduct, dishonesty and fraud. As with all business exposures, the County must be prepared to manage these risks and their potential impact in a professional manner.

Our goal is to establish and maintain a fair, ethical, and honest business environment for our employees, our department heads, our elected officials, our customers, our suppliers and anyone else with whom we have a relationship. To maintain such an environment requires the active assistance of every employee, every department head and every elected official every day.

Colorado County employees, especially supervisors and department heads/elected officials, must be aware of the circumstances, or "red flags", which lead to fraud and share in the commitment to prevent and detect fraud. For the purpose of this administrative procedure, fraud and intentional waste are referred to as "fraud".

This Fraud Prevention and Detection Policy is being established to facilitate the development of controls, which will aid in the detection and prevention of fraud against the county, to provide guidelines and to assign responsibility for the reporting of fraud and conducting of investigations regarding fraud, and to promote consistent organizations behavior in the prevention and detection of fraud.

BACKGROUND

Internal controls are the best method of preventing fraud. Poorly written or poorly enforced internal controls allow most fraud to occur.

Fraud occurs for the following reasons (note: there were multiple reasons in some cases):

- Poor internal controls
- Management override of internal controls
- Type of organization (industry with high risk of fraud)
- Collusion between employees and third parties
- Poor or non-existent company ethical standards
- Lack of control over managers by their supervisors

The most frequently cited "red flags" of fraud are:

- Changes in an employee's lifestyle, spending habits or behavior;
- Poorly written or poorly enforced internal controls, procedures, policies or security;

- Irregular/unexplained variances in financial information;
- Inventory shortages;
- Failure to take action on results of internal/external audits or reviews;
- Unusually high expenses or purchases;
- Frequent complaints from customers;
- Missing files;
- Ignored employee comments concerning possible fraud.

Perpetrators of fraud typically live beyond their reasonably available means. Other indicators of fraud include the borrowing of small amounts of money from co-workers, collectors or creditors appearing at the place of business, excessive use of telephone to stall creditors, falsifying records, refusing to leave custody of records during the day, working excessive overtime, refusing vacations, and excessively rewriting records under the guise of neatness.

The following internal controls help prevent fraud:

- Adherence to all organizational procedures, especially those concerning documentation and authorization of transactions.
- Physical security over assets such as locking doors and restricting access to certain areas.
- Proper training of employees
- Independent review and monitoring of tasks.
- Separation of duties so that no one employee is responsible for a transaction from start to finish.
- Clear lines of authority.
- Rotation of duties in positions more susceptible to fraud.
- Ensuring that employees take regular vacations.
- Regular independent audits of areas susceptible to fraud.

SCOPE OF POLICY

This policy applies to any fraud, or suspected fraud, involving employees, department heads, officials, as well as consultants, vendors, contractors, and any other parties with a business relationship with Colorado County.

Any investigative activity required will be conducted without regard to the suspected wrongdoer's length of service or position/title or relationship to the county.

PURPOSE

The purpose of this document is to communicate the county's policy regarding deterrence and investigation of suspected misconduct and dishonesty by employees and others, and to provide specific instructions regarding appropriate action in case of suspected violations. As applicable to this policy, the definition of what constitutes fraud and the

outline of the rules and procedures to follow when fraud is suspected applies to all employees, department heads and elected officials.

POLICY

Department heads and elected officials are responsible for the detection and prevention of fraud, misappropriations, and other inappropriate conduct within their office. Each department head and official must be familiar with the types of improprieties that might occur within his or her area of responsibility and be alert for any indication of irregularity. Any fraud that is detected or suspected must be reported immediately to the County Attorney in writing.

This policy does not prohibit a ‘whistle blower’ from contacting any law enforcement agency with jurisdictional authority directly. (example: Sheriff’s office, Texas Rangers, etc.)

RESPONSIBILITIES

Employees: It is the responsibility of every employee to immediately report **suspected** misconduct, dishonestly or fraud to their supervisor or to the department head/elected official. However, if the employee has reason to suspect that the department head/elected official may also be involved, the employee should contact the County Attorney directly. Every employee shall cooperate with administrative investigations pursuant to this administrative procedure. The employee shall not discuss the matter with anyone other than their supervisor, the department head/elected official, the County Attorney or as directed by the investigating agency. Failure to report suspected fraud could result in disciplinary action or possibly termination.

Supervisors: Supervisors must be aware of what can go wrong in their area of authority. Supervisors must put into place and maintain effective monitoring, review and control procedures that will prevent acts of wrongdoing. When subordinates make supervisors aware of such potential acts, the supervisor must immediately report such act to the County Attorney.

The supervisor shall not attempt to investigate the suspected fraud. Due to the important yet sensitive nature of the suspected violations, effective professional follow-up is critical. Supervisors, while appropriately concerned about “getting to the bottom” of such issues, should not in any circumstances perform any investigative or other follow-up steps on their own. **Concerned but uninformed managers represent one of the greatest threats to proper incident handling.** All relevant matters, including suspected by unproven matters, should be referred immediately to the County Attorney or the investigating agency.

Once a potential act has been reported it becomes part of an on-going investigation, therefore, supervisors shall not discuss the matter with anyone other than the department

head/elected official, the County Attorney, or as directed by the investigating agency.

Any reprisal against an employee or other reporting individual because that individual, in good faith, reported a violation is strictly forbidden, such individual falls under the protection of the Whistle Blower Act.

Department Heads/Elected Official: Upon notification from an employee or supervisor of suspected fraud, or if the department head/elected official has reason to suspect that a fraud has occurred, the department head/elected official shall immediately contact the County Attorney.

Any reprisal against an employee or other reporting individual because that individual, in good faith, reported a violation is strictly forbidden, such individual falls under the protection of the Whistle Blower Act.

County Auditor: In cases whereas a result of internal audit procedures and review, or where suspected fraud is reported directly to the County Auditor, the County Auditor shall promptly immediately contact the County Attorney. The County Auditor shall cooperate and assist the County Attorney in the investigation as requested.

PROCEDURES

Record Security: A successful audit/investigation can only be performed if the documentation relating to an alleged fraud is available for review in its original form. Therefore, once a suspected fraud is reported department heads/elected official and supervisors shall take immediate action to prevent the theft, alteration, or destruction of relevant records. Such actions include, but are not necessarily limited to, removing the records, and placing them in a secure location, limiting access to the location where the records currently exist, and preventing the individual suspected of committing the fraud from having access to the records. Once a potential act has been reported, the relevant records shall not be destroyed under any previously adopted records retention policy.

Contacts/Protocols: The County Attorney, or his designee, shall coordinate the investigation with the appropriate law enforcement officials.

Confidentiality: All participants in a fraud investigation shall keep the details and results of the investigation confidential except as expressly provided in this administrative procedure. However, County Attorney may discuss the investigation with any person if such discussion would further the investigation.

Personnel Actions: If a suspicion of fraud is substantiated by the audit investigation, disciplinary action shall be taken in conformance with the County's Personnel Policies and Procedures. A false and vindictive allegation of fraud is a violation of this administrative procedure. All violations of this administrative procedure, including violations of the confidentiality provisions, shall result in disciplinary actions up to and including termination.

Retaliation: It is a violation of this administrative procedure for any individual to be discriminated against for reporting fraud or for cooperating, giving testimony, or participating in an audit investigation, proceeding, or hearing. Such individual falls under the protection of the Whistle Blower Act.

Media Issues - If the media becomes aware of an audit investigation, the appropriate supervisor or department head/elected official shall refer the media to the County Attorney. The alleged fraud and audit investigation shall not be discussed with the media other than through the County Attorney's Office.

WHISTLE BLOWER ACT

A whistleblower is an employee who, in good faith, reports an alleged violation of Colorado County policy or federal or state law to his or her supervisor, department head, or County Judge, unless all of these persons are the alleged perpetrators of the alleged violation of policy or law. If all of the listed persons are alleged to be involved in the violation, the employee may report the allegation to the County Attorney. The County will investigate the reported activity.

An official, supervisor, department head, or any other employee is prohibited from taking adverse employment action against an employee who, in good faith, reports an alleged violation of County policy or federal or state law to a designated person, pursuant to this policy.

For the purpose of this policy, 'adverse employment action against' an employee reporting suspected fraud is defined as:

- Suspension or termination of employment,
- Dismissing or threatening to dismiss an employee;
- Disciplining or suspending or threatening to discipline or suspend an employee;
- Imposing any penalty upon an employee; or
- Intimidating or coercing an employee

An employee who intentionally makes a false report of wrongdoing may be subject to discipline up to and including termination.

An employee who, in good faith, believes they are being subjected to retaliation based on a report of alleged wrongdoing under this policy should immediately contact the County Auditor or County Judge.

FALSE ACCUSATIONS

All employees, department heads and elected officials must take great care in dealing with suspected dishonest or fraudulent activities to avoid:

- Incorrect accusations,
- Treating employees unfairly,
- Making statements that could lead to claims of false accusations or other offense

Employees, supervisors, or department heads that make false accusations may be subject to disciplinary action, up to and including termination of employment. Further, knowingly making a false statement that is material to a criminal investigation to a peace officer, or to any employee of a law enforcement agency that is authorized by the agency to conduct the investigation and that the actor knows is conducting the investigation, is a misdemeanor offense under the Texas Penal Code and could lead to criminal prosecution.
